

Unity West Elementary

Lanée Reichert - Principal
Floyd Fisher II - Assistant Principal

August 12, 2020

Welcome to the 2020-2021 school year! You are receiving this information because our records indicate you chose to send your student for in person learning. We are so excited to welcome students back into the building. We have been working to enhance cleaning and safety procedures to ensure the health and safety for our students and staff. Please check out the website for our most current safety updates.

The first day of school for 1-5 grade students will be August 19. Kindergarten students will attend during their scheduled "Meet and Greet" time on August 19-20 with the first full day of school being August 21. Our attendance hours this year will be Monday through Friday 8:15-1:30. The school doors will open at 7:40. Students arriving before 8:00am will sit 6ft apart in the hallways outside their classrooms. A grab and go style breakfast will be served in the cafeteria from 7:40-8:00. If you are able to drop off students between 8:00-8:10 we encourage you to do so.

We will need your help this year to help ensure the safety of the Unity West community. Each morning, parents will need to complete a Self-Certification process for their student and sign off on the card that will come home on the first day of school. Cards will be sent home with students on the first day of school along with a lanyard for them to wear to school. These cards will be checked prior to a student entering the building. Any student who does not have a signed card will have to check in with Nurse Gateley. Enclosed is a self certification form to send with your child on the first day of school. Temperatures will still be taken prior to students entering the classrooms.

Watch for our Virtual Back to School Night information to come out on August 17th. We will also be using a new app, Seesaw, that we are requesting parents download. More information will be coming soon about your login information.
