

Parents,

My name is Taylor Olson and I am the Three year old Preschool Teacher/On site Supervisor at Little River Hawks Child Care Center. I Graduated from Easton Valley High School in May, 2017 and the University of Northern Iowa in May, 2020. A few things about me are that I just recently moved home from Wyoming after going out there for a month-long trip to see family and live in Preston with my mom and dad (Dawn and Steve Olson), brother (Connor), and dog (Sam). In my free time I spend my time with Family or Friends. My favorite Color is yellow, my favorite music is Country, and my favorite food is Pasta. My mom and I love to cheer on all Easton Valley teams, and would love to come support your children in any events they are in as well, so bring in a schedule of any dance competitions, sporting events, music events, etc. and we will do our best to make it. If each of you would like to write up a little something about your children so I can get to know them better before the school year starts, I would greatly appreciate it. For example, what is something they enjoy to do, what are they scared of, what makes them happy, what makes them mad/sad, etc.

I am so excited to be back working in the School District that I graduated from. Child care is my passion and I look forward to getting to know all of your children, as well as helping them reach their full potential in a safe, fun, and creative environment. I have many fun things planned for this school year so be on the lookout for letters being sent home. I made a supply list in preparing for the year. Please do not feel obligated to purchase anything, but it would be very much appreciated. I look forward to seeing you all soon!

Miss Taylor
