### Why All-Alumni?

The original idea for the All-Alumni Reunion was to allow people to visit with friends from other graduating years as well as take the pressure off from finding a location, hiring a caterer, etc.

## History Remade:

Our hometown Courthouse Square was listed on the National Registry in 2020 and was designated as a historic district. Great efforts are being placed on a downtown realization plan with noticeable changes occurring in the next two years. The history of each building is truly important. Many CHS alumni and friends held jobs at businesses around the square and the stories about the owners and operators are as interesting as the physical appearance of the bricks and mortar.

Sadly, the "old" 1921 high school building will be razed in the summer of 2023. New memories will be formed at a new site of football, soccer and field house where Murphy's Funeral Home once stood at the corner of Main Street and Fairground Road. Construction is to start this summer. A track will also be installed later.

Thanks goes to all the citizens who work endlessly to breathe life into our small community. Our Square remains the heart of Caldwell, and each alumni can help in its preservation with charitable contributions to the Historical Society or other designated charities. Of course, donations to the Caldwell Fire Department are always appreciated. They are also looking for volunteers.

If you have a significant story to tell about one or more of the landmarks, please send the story to:  
[noblecojail@frontier.com](mailto:noblecojail@frontier.com) (Historical Society)
