About Our School

BULLYING, HARASSMENT, AND SAFETY POLICIES

At Central Elementary we strive to help students navigate peer conflicts and unsafe behaviors through conscious discipline while following board policy. We encourage safe choices and positive peer relationships through regular character education instruction. Additionally, this year our staff are focused on understanding the impact of trauma on students and providing strategies and environments that will help meet these needs of impacted students. School Resource Officers help build positive relationships with our students and encourage safe and positive choices with students.

PARENT ENGAGEMENT

We highly encourage families to engage with Central Elementary staff to make their students the best experience possible. We will continue to engage parents through:
School-wide Title Nights

Central Elementary PTA
New School Website
SchoolMessenger Calls

COMMUNITY ENGAGEMENT

Central Elementary School recognizes the great community we have and their desire to support our students. Opportunities like our sport programs and field trips would not be possible without community support. Additionally, we have fantastic donors that help support students that struggle with homelessness, hunger and other challenges. We continue to find ways to engage the community through regular newsletters, school website, and SchoolMessenger calls. Teachers and administration welcome community to participate and attend regular events at school and experience the great thing our staff and students are doing.
