

COVID Testing:

Per CDC Guidance, the School WILL NOT conduct COVID-19 testing. The decision of whether a test needs to be conducted will be determined by a healthcare provider or the local department of health.

For all situations where a staff member feels as though they may need to be tested for COVID-19, you can call the Erie County Health Department at 716-858-2929 for testing dates, locations, times and to schedule an appointment.

The Erie County Health Department offers free COVID-19 testing for individuals that qualify.

If you are located outside of Erie County, please contact your local health department.
