

Grab-and-Go Lunch Opportunity for Students Enrolled in Virtual Option

This message is for parents who have selected the Virtual Option for your student for this school year through Tecumseh Public Schools. If you have enrolled your child in the virtual learning option and would like to have information about how your child can still participate in our school's daily lunch program, please fill out the survey information located on our website at <http://www.tecumseh.k12.ok.us>

Our district will be offering a grab-and-go meal service that can be picked up for students enrolled in Tecumseh's virtual learning option, and we need to know how many virtual students will take advantage of this opportunity. The program will be under the guidelines of the National School Lunch Program which has different requirements and criteria than the Summer Seamless Option that we offered through the month of June. The student does not have to be present to pick up the meal, but the parent/guardian or caregiver must have the student's school-issued identification card before being able to pick up a student's meal from the school each day. These identification cards will be issued on the first day of the school year. Students will be charged at their current lunch status rate. Free lunch students will continue to receive the meal for free. Reduced cost lunch students will be charged forty cents per lunch. Paid lunch students will be charged \$1.95 for elementary students enrolled in PK-5th grades or \$2.10 for secondary students enrolled in 6th-12th grades. Breakfast will remain free for all students enrolled in the district. If you have questions about this program and how your child can participate, please call Cindy Belshe, our Child Nutrition Director, at 405-598-3739 during regular business hours. Once again, if you want to have your child who is enrolled in the Virtual Option to participate in the grab-and-go lunches, please fill out the survey located on our website.
