

# A DAY IN THE LIFE OF A PANTHER

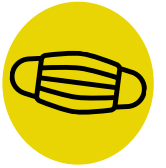

## Lockland High School and Lockland Middle School

### IN-PERSON LEARNING

 Our **PANTHER** will wake up in the morning and conduct a wellness check including taking temperature. If our **PANTHER** does not have a temperature over 100°F, NOT experiencing any other symptoms, and does not have a member in the household that has tested positive for COVID-19, he/she will head out the door with a mask and labeled water bottle. Water bottle filling stations will be available.

 Upon arrival to school, our **PANTHER** will put on a mask and maintain appropriate physical distance from other students and staff. He/she will enter through Door 13 beginning at 8:00 a.m. or Door 5 beginning at 8:15 a.m.

 If our **PANTHER** wants to eat breakfast, he/she will enter through Door 13 and go to the cafeteria to pick up food. (All items will be grab-n-go). He/she can sit in the cafeteria socially distanced to eat and then report to class when dismissed.

 Once inside the building, our **PANTHER** will take the quickest route to his/her classroom while maintaining appropriate distance from other students and staff. Our **PANTHER** will travel on the right side of the hallway and follow the path directly to the classroom.

 Our **PANTHER** will carry all their supplies that they will need for the day in their bag, lockers will not be available for use at this time.

 Our **PANTHER** will not congregate or stop in common areas and will head directly to the classroom.

 While in the hallway, our **PANTHER** will be able to use one of the available hand sanitizing stations that are positioned throughout the building.

 Once in the classroom, our **PANTHER** will be encouraged to sanitize his/her hands and sit in their assigned seat in the classroom.

 If our **PANTHER** needs to use the restroom during class, the teacher will allow one student at a time to go.

 During lunch, our **PANTHER** will wash or sanitize his hands and will be able to grab his/her lunch from one of the appropriately spaced out serving areas and head to their assigned seat located in either the cafeteria or multi-purpose room.

 Once in their assigned seat, our **PANTHER** will remain seated and will be able to remove their mask to eat. He/she will be facing forward and remain in their seat until dismissed.

 Before getting up from his/her seat, our **PANTHER** will put their mask back on and exit the eating area while maintaining an appropriate distance from other students.

 Upon dismissal of the school day, our **PANTHER** will maintain an appropriate distance from students and staff, making sure not to congregate and gather in common areas. Our **PANTHER** will leave his/her mask on until off campus.

# A DAY IN THE LIFE OF A PANTHER

## Lockland High School and Lockland Middle School

### ONLINE LEARNING

 Our **PANTHER** will wake up and eat breakfast, and plan and prepare for a day of online learning.

 Our **PANTHER** will log-in each day to receive daily instruction from a Lockland teacher which will include a variety of learning activities, teacher-led instruction, student managed activities, as well as peer engagement and collaboration as appropriate.

 Our **PANTHER's** classes will mirror as closely as possible the classes offered on-site.

 Our **PANTHER** will use several online learning resources and tools to access content, engage in learning, and collaboration with their teachers and online learning peers. The core content and curriculum will be aligned to Ohio Department of Education standards and with in-person classroom curriculum.

 Our **PANTHER** will participate in the same assessments as they would in a regular classroom setting.

 Our **PANTHER** will follow a schedule everyday and attendance will be taken.

 Our **PANTHER** will engage in many of the same educational activities and curricular materials as his/her peers in the in-person model, including many of the same lessons created as a result of the ongoing collaboration of the Lockland in-person and online teachers.

 Our **PANTHER** will be graded according to the LHS/LMS grading criteria.
