We are excited to announce that Bryan County Schools will offer meal service for our e-Learners during the school year. Unlike the summer program, meals that will include both breakfast and lunch, may only be served to enrolled e-Learning students during the regular school year.

Students whose status is Free or Reduced will receive meals at no cost and meals will be delivered via bus routes. Meals will be provided on a weekly basis and will consist of breakfast and lunch for five days. Meals will be available each Thursday, beginning August 27<sup>th</sup>.

If your child receives Free or Reduced Meals, you only need to enroll once for the duration of your child's e-Learning program. Enrollment will be open until Wednesday, August 19<sup>th</sup>. Click here to enroll: [F&R Meals for E-Learners](#)

If your child pays for meals, you may enroll weekly between Tuesday and Friday for the following Thursday pick-up. Payment from your child's account will be deducted each Monday prior to the Thursday pick-up. During enrollment, you will select the school in which you will be picking up meals. The enrollment link will be sent next Monday.
