

THE GREENWOOD WAY FORWARD

District Reopening Plans

The School District of Greenwood recognizes that the purpose of public education extends beyond academics in the classroom to include the social, emotional, physical needs and growth of our students.

COMMITMENTS

(1) SAFETY:

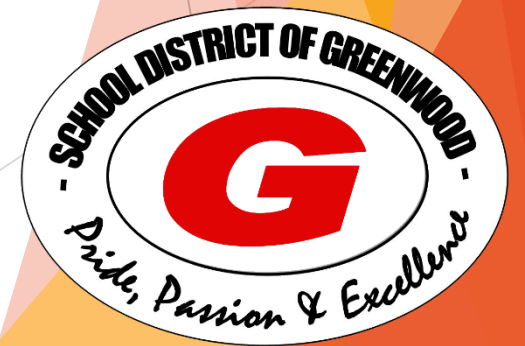

- ▶ Student and staff safety is a top priority. Plans will reflect guidance from the Centers for Disease Control, American Academy of Pediatrics, the Wisconsin Department of Health Services, and the Clark County Health Department.

(2) FLEXIBILITY:

- ▶ Plans will be developed to allow for a flexible and fluid response keeping in mind staff, student and parent capacity, along with district resources.

(3) INSTRUCTION:

- ▶ Plans will reflect a preference for traditional “in-person” instruction if conditions safely support reopening schools. Instructional models will include blended and online learning options for 4K-12 if traditional in-person learning is not a safe option.
