

BATAVIA CITY SCHOOL DISTRICT

Based on guidance from the New York State Education Department of Health and the New York State Education Department, a hybrid learning model appears to best address the health and safety of our students and staff.

In order to reopen, all New York State schools including Batavia City Schools must comply with the following items:

- Require face coverings for staff and students
- Maintain appropriate social distancing (6 ft.)
- Provide daily teacher/ student interactions
- Establish a process for daily health checks
- Regularly clean and disinfect schools and buses
- Promote correct hand hygiene and respiratory etiquette.
- Ensure educational equity, access, opportunity, quality and support.
