

LOGGING into the POWERSCHOOL APP

1. Open the app and click on Where's My District Code?

2. Click Enter Server Address

- 3 In the text box enter our server address exactly as it is typed below:
<https://linton.ps.state.nd.us/public/>

- 4 Click Submit
5. Enter username and password

The powerschool app will show everything from grades and attendance to lunch balances. You can also add in multiple students.

If you have any questions please contact the school office.
