

Final Forms

If you haven't yet completed your student's final forms, you will need to follow these steps:

- 1) Log your email address by going to our district website and click on the FFLSD Parent Email Registration Link. ([FFLSD Parent Email Registration Link](#))
- 2) Within 24 hours you will get an email from Final Forms that you will need to open and click on the link to confirm your new final forms account. This will then take you into the Final Forms system where you can begin completing your student's forms.
- 3) If you have an elementary student, once the parent completes and signs their student's forms you are finished. If you have a MS or HS student, an email will be sent to their school email address so that they can log in to sign their forms as well.
- 4.) If your forms are complete, signed by you, and your MS/HS student, the forms will turn a green color. If they are red, you need to revisit that form.

If you do not have access to the internet either at home, the library, or a friend/relative's house, you can call your building secretary to make an appointment to come in to use our computer.

For changes to students who have already completed their Final Forms (i.e. address, telephone, medical history changes, etc.)

- 1) Log into the final forms site to update that information <https://felicity-oh.finalforms.com/>

The building secretary will be notified automatically that you have made that change.

To sign your student up to participate on one of our athletic/academic teams:

- 1) Log into the final forms site to update that information <https://felicity-oh.finalforms.com/>. You can also pay your pay-to-participate fees here as well.
