Attendance

We will be working virtually, and we will also be taking attendance daily. Attendance will be taken Monday through Thursday, and although we understand some can not be on during the day, all work and videos are expected to be watched and turned in by the end of the week. If 3 consecutive days are missed, guidance counselors and/or the social worker will be calling to check in.

St. Paul's Elementary School will be using Class Dojo school wide this year! Class Dojo will be our main source of communication for parents and students. This is also a great way to earn positive behavior points and earn rewards! Please make sure that you have joined and connected with Class Dojo, and that you check this platform daily for information. If you have not received an invite from your teacher, please contact us and let us know! We will help you!
