Hello SPES Bullpups! My name is Mr. Terry Jacobs. This is my 17th year as a teacher with the PSRC and it is my 6th year at SPES. I look forward to engaging with you in Physical Education activities during this 2020-2021 school year.

Hey all! I'm Ms. Laughren. And I teach art. This is my 16th year here at SPES and my sixth year teaching art. I'm really excited about this year and all the changes this year will bring. Somethings might be tough. But we will get threw it together. I can't wait to see you in class and see all the wonderful things you will create!

Art

Hi!!!! I am Ms. Candace one of the Art Teachers at SPES. This is my fourth year teaching Art here. I volunteered and subbed for all grade levels for 5 years before teaching Art full time. I attended SPES as a child myself and have two kids that I have seen come through SPES as well. I can proudly say it has been and continues to be a wonderful experience here for me and my children. I am looking forward to a great year with you all this year and discover just how much creativity we can bring into this 2020-2021 school year.

Music

Hello! My name is Jessica McKeithan and this is my 2nd year as the Music Teacher at St. Pauls Elementary School.

In our Virtual Classrooms we will be singing, clapping, dancing, and anything else we can do to create music in our homes! You will learn to keep a steady beat, read rhythms and pitches, along with learning about different Music Genres and Composers.

While this year may look different, let's not let it stop us from making beautiful music together. Looking forward to a great year!
