

MILAN COMMUNITY SCHOOLS

August 14, 2020

Dear Parents

We would like to thank all of our families for being so understanding during this confusing time. We have had a great start to the school year. We would like to update you on a few changes for this year when you are calling in to report a sickness:

1. Please keep your children home if they are sick. This has been going very well this week.
2. If your child is kept home sick please make contact with the school nurse before returning your child to school. We will help give guidance on when they should return to school based on their symptoms.
3. Please let us know if someone in your household is being tested for COVID-19.

Again, thank you for your patience and understanding. Remember if you have any questions please call, and we will help answer your questions.

Yours in health,

Tammy Jutzi BSN, RN - MES School Nurse 812-654-2922 ext 290

Amber Knueven BSN, RN - MIS/MMS/MHS School Nurse 812-654-1616 ext 228
