Transportation Department

204 Wiley St Holcomb, Kansas 67851

8/10/2020

COVID-19 Protocol for Transportation

The following procedures will be followed starting on the first day of the school year 2020-2021. All protocols and procedures will be in full force for all district owned types of transportation. All protocols and procedures will be enforced for all students as well as all employees who are transported by district owned types of transportation.

- All buses/vehicles will be disinfected after each route or use.
- All students will load from the back to the front of the bus.
- All students from the same household will sit together.
- All students will have an assigned seat on the bus.
- All students will unload from the front to the back of the bus.
- All students and employees will wear a mask at all times while on the school bus or in a district vehicle.
- All route drivers will have their temperature checked every morning before they operate a school bus.
