

Macon County Schools  
Phase In Schedule  
August 24th and 25th, 2020

All students will phase in beginning this school year at Fairlane, Central, LES, and Westside. Students in these grades 1-5 will come to school either Monday, August 24th or Tuesday, August 25th. Beginning Wednesday, August 26th, all schools will operate at 100% capacity in grades 1-5. The purpose of this phase is to allow social distancing and cohort alignment with all students as they begin a transition into a new grade/school. Limited number of students for the first couple of days will allow a more smooth transition to new buildings, classrooms, procedures, and will allow staff to effectively prepare all students to follow our covid plans within each school. The description below will provide parents/guardians with the information needed to know when your child will need to attend.

- All students with last names beginning A-M will report to school on Monday, August 24th.
- All students with last names beginning N-Z will report to school on Tuesday, August 25th.
- Every student will report to school every day beginning Wednesday, August 26th.

We realize that many of our students live in the same household and have different last names. If this applies to you, we will allow for all students in the household to report to school on the same day. Please send all children to school on the day that the oldest sibling is listed to report according to the description above.

Thank you,  
Macon County Schools Administration
