August 2020

Dear Parent/Guardian,

The staff and faculty would like to welcome you and your child to Lee County Middle High School and thank you for allowing us to be a part of his or her learning environment. We are dedicated to ensuring that your child is happy and successful in school while receiving a quality education. We believe that parents hold a major role in each child's education. Your unceasing interest in your child's progress and success is vital. We look forward to collaborating with parents and community members to ensure your child has a positive educational experience.

At Lee County Middle High School, we offer a structured environment where students are required to be active participants, think critically, become problem solvers, and constantly reflect. This is accomplished through an aligned curriculum using Common Core Standards, Literacy Design Collaborative, Math Design Collaborative, Backwards Design, Response to Intervention, College and Career Readiness, etc.

As you look through the handbook, you will see that most of the information applies to grades 6 through 12. However, there are specific sections that will apply only to grades 6 through 8 or 9 through 12. The table of contents will direct you to any topic pertaining to any grade level. At any time throughout the year, if you have any questions or comments please feel free to contact Mrs. Sharon Mays at 464-5010 or Mrs. Jennifer Osborne at 464-5005. They will be happy to direct your call to the right person.

Sincerely,

Staff of Lee County Middle High School

LEE COUNTY SCHOOL DISTRICT CODE OF CONDUCT

Lee County School District Policies and our Lee County School District Code of Conduct can be found on the Lee County School District website, www.lee.kyschools.us.

LCMHS Vision, Mission and Beliefs

16. When school is dismissed, all students must ride a bus or ride with a designated person off school property after being given parental permission to do so (Parents must come to school to sign papers).

17. Possession of medication on school property will not be allowed. All medication must be turned in to the front office.

***** Specific consequences for referrals can be found in the following section of our handbook.**

General School Policies

Students will be expected to observe the following guidelines concerning conduct.

STUDENT COURTESY

Students will be expected to use courtesy and consideration in all situations at school and school connected activities. Students are expected to treat faculty and staff in the same courteous manner that our adults are expected to use in dealing with them. Harassment of any nature (sexual, verbal, threats, unwanted advances) will not be tolerated. Students are expected to be courteous and considerate of others.

ABSENCES AND PARENT NOTES

Students have 6 parent notes that can be used for all day. Students also have 6 tardy parents notes that can be used for partial school days. Students have 5 days to turn in a parent note once they return to school.

*Specific details can be found in the Lee County District Code of Conduct.

STUDENT MAKE-UP WORK

Students have 5 days to make-up any work once they have returned to school from an absence.

*Specific details can be found in the Lee County District Code of Conduct.

CLASS CHANGE

Changing classes is to be done in an orderly and reasonably quiet manner.

TARDINESS

All students are expected to attend classes on time. Four minutes are allowed for the changing of classes. Since there is no excuse for being tardy, except for extreme emergencies, students shall be disciplined if they are continually tardy to class. Tardies are counted by semester.

DAILY ATTENDANCE

All students are to report and remain in class beginning at 8:20 a.m. each morning. Skipping classes will constitute disciplinary action.

OUTSIDE FOOD

At no time is food to be delivered to school during instructional time (8:15 am to 3:15 pm) to individual students.

WASTE DISPOSAL

All waste is to be disposed of by placing it in the provided receptacles. Do not throw waste on the floor or leave it in desks or lockers. Littering can result in disciplinary action.

VANDALISM OF SCHOOL PROPERTY

Students who deface, mark or damage, or in any way destroy school property will be required to pay for all damages. Students may also face disciplinary action. Students are expected to help keep restrooms clean, neat, and free of any abuse or damage. Any student who willfully destroys, defaces, or damages school property shall be subject to the regulations of Section B, Page 42 of the Lee County Board of Education Policy.

WEAPONS

Knives, guns, pepper spray, chains, and weapons of any type are not to be brought to school.

These items will be confiscated and students will be punished to the fullest extent. This applies to all schools including the vocational school. Archery team members may bring their bows to school. Students may not bring arrows to school. See District Code of Conduct.

CLASSROOM CONDUCT

If a teacher cannot control a particular student, the student will be referred to the office. Any student brought to the office for classroom misbehavior may be dismissed from the class, serve in-school or out of school suspension, assigned after school detention, or receive other disciplinary action deemed necessary.

TOBACCO

Students shall not be permitted to use/or have possession of any tobacco product, alternative nicotine product, or vapor product as defined in KRS 438.305 on property owned, leased or operated by the Board, inside Board-owned vehicles, on the way to and from school, or during school-sponsored trips and activities. Students who violate these prohibitions while under the supervision of the school shall be subject to penalties set forth in school handbooks, consistent with Board Policy 09.4232.

Additionally, tobacco use, by students, staff, and public, including alternative nicotine products and vapor products as defined by KRS 438.305, is prohibited twenty-four (24) hours a day, seven (7) days a week, inside Board-owned buildings or vehicles, on property owned or operated by the board, and during school-related student trips

ALCOHOL AND DRUGS

Students caught possessing, passing, consuming or under the influence of drugs or alcohol on school property or on a school, sponsored activity will be disciplined per District Code of Conduct.

RANDOM DRUG TESTING FOR STUDENTS

The Lee County Board of Education has implemented a random drug testing policy for identified students in Lee County Middle High School.

All students who participate in any after-school or extra-curricular activity must participate. Parents may elect to have their child(ren) participate by signing the permission form in the yellow tear-out sheets.

See Lee County School District Code of Conduct.

GUIDANCE AND COUNSELING

We believe the guidance program of Lee County Middle High School must focus on the unique needs of the students. In doing so, it must provide for the transition of students from pre-adolescence to young adulthood. In order to facilitate such a transition, the guidance program works closely with school personnel and outside agencies to provide for the total development of all students.

The guidance counselor is directly involved in:

1. Assisting and consulting with parents, teachers, and other school staff in understanding and meeting the normal development needs of high school students, and the specific needs of individual students.
2. Administering and interpreting standardized tests.
3. Improving study skills.
4. Developing the awareness of, and preparation for, various careers.
5. Orienting and scheduling students in such a way that they may be challenged and happy.
6. Seeing that compensatory services are supplied for those who are educationally or economically deprived.
7. Seeking out additional services for those who are emotionally or physically in need.
8. Making provisions for both group and individual counseling of all students.
9. Provide information and assistance in college admission and financial aid.

Students and their parents are welcome to call during school hours or to arrange a personal conference with him or her when they feel a need to talk to someone trained to assist in educational matters.

FIELD TRIPS and FUNDRAISERS

Field Trips

Students must have written permission and signed medical forms completed by parents/guardians in order to participate in field trips. Student's discipline/behavior throughout the year will be considered when allowing students to participate in field trips. Expectations and eligibility will be explained to the students as soon as the trip is planned and expectations are established. In addition, all school discipline rules apply during field trips. Students must ride the approved bus to the event, but may return with their parents if they have secured permission from the principal in writing prior to the event.

Fundraisers

All items sold at LCMHS must have the express permission of the principal or his/her designee. Sales, which affect the school or a school organization, must be scheduled and given a calendar date. The SBDM Council and School Board must approve all fundraisers, regardless of sponsor or previous approval, each year.

PERSONAL APPEARANCE

Personal appearance should not disrupt the educational process, call undue attention to the individual, violate federal, state, or local health and obscenity laws, or affect the welfare and safety of the student or his/her classmates. Students should take pride in themselves and in how they represent their school. This pride is reflected in the manner in which they dress.

In order to convey not only a good personal image but also a good image for the school, many students wear apparel that is consistent with the most current fashion trends. Though most current fashion is acceptable, certain guidelines must always be considered when clothing is chosen.

Naturally, good grooming and hygiene are expected of all students. The Lee County Health Department provides a curriculum and lessons in personal hygiene for all students in grades 6-8. The school and Youth Service Center can provide such personal items as toothbrushes, deodorant, etc. to all students. The parent or student should schedule a visit to the Youth Service Center with Jennifer Wilder, the YSC Coordinator.

DRESS CODE

All students are expected to dress appropriately during regular school hours. Please refer to the following acceptable and unacceptable dress code:

- Pants, shorts, dresses and skirts that strike within 4 inches from the top of the knee and do not expose skin above 4 inches from the top of the knee are acceptable. At no time should the midriff or back be exposed. Undergarments may not be exposed at any time. Shirts or blouses with plunging/revealing necklines that show the chest/cleavage or shoulder areas excessively are not allowed.
- Sleeveless shirts must have at least a 2-inch strap and cannot expose undergarments or the torso.
- Clothing (including masks, caps, beanies, bandanas, etc.) that has foul language, suggestive messages, emblems or pictures that advertise any activity that is not appropriate, for example: tobacco, liquor, gang related apparel etc. is not permitted.
- Masks, caps, beanies, bandanas, etc. that are being used as a disruption, distraction, or obstruction will be confiscated.
- All jeans and any loose-fitting pants must be worn with the waistband at the waist or be worn with a belt to secure the waistband.
- Caps, beanies, or bandanas are acceptable in common areas and with teacher discretion inside classrooms. These should not cover the eyes at any time.
- When masks are required, hats and masks should not be worn at the same time.
- Hoodies are acceptable but hoods should not cover the face or head while indoors.
- For safe school purposes:
 - Jewelry of any kind should be small and discrete. Any jewelry that could pose a danger must be removed.
 - Shoes shall be worn at all times.
 - Wallet chains are not allowed

- Teachers will have students correct dress code infractions or send students to the office to meet with an administrator. Issues with the dress code will be fixed immediately or will result in ISS for the rest of the day.

Note: It is impossible to list all types of clothing that may or may not be a distraction in an educational setting. School staff will determine appropriateness (and inappropriateness) of dress. At times, there may be dress issues that are determined to be inappropriate for school that are not explained in this policy. If this happens, the students will be expected to change their attire so that it is school appropriate. Also, an administrator will provide an explanation to the parent by phone or in writing explaining why the attire was deemed inappropriate for school.

CELL PHONES & OTHER RELATED DEVICES

While on school property or while attending school-sponsored or school-related activities, whether on or off school property, the following applies to cell phones and other related devices:

- At NO time should such devices be used for personal use during instructional time.
- All such devices shall be used at designated times and in designated areas ONLY.
- All such devices may be used in the classroom if and ONLY if:
 - It is part of the lesson being taught and the use is directed by the teacher.
 Phone should be silenced and should only be used during designated times. No student may place or receive a call, place or receive a text message, or use their phone for any other purpose other the time that is designate during the regular school day.
- Any exceptions during the regular school day must be approved by an administrator and/or supervisor of the student.
- The district or LCMHS shall not be responsible for loss, theft, or destruction of devices brought onto school property.
- Students shall comply with any additional rules developed by the school concerning appropriate use of cell phones and related devices.

TELEPHONE REGULATIONS

Telephones are placed in each school to expedite the school business and to provide emergency communications between the school and parents or between pupils and parents.

Permission will be granted only in case of emergency. Students may ask the secretary or other staff to call by logging in their name, the phone number, the name of the person being called and reason for the call. Staff members will make the calls and notify the student of the results.

Emergency messages from parents/guardians to students will be delivered immediately. All other communications to students from parents/guardians will be delivered at the end of the day or during class changes when appropriate.

ELECTRONIC DEVICES

Electronic devices are a valuable and convenient resource that can enhance a student's education; however, at no time are they permitted for personal use during instructional time. Any student using the devices inappropriately will be disciplined accordingly.

- a. 1st Offense – device will be confiscated and returned to the student at the end of that class.
- b. 2nd Offense – device will be confiscated and returned at the end of the instructional day.
- c. 3rd Offense – device will be confiscated; parents must come to school to pick up the device.
- d. 4th Offense – device will be confiscated; parents must come to school to pick up the device and lunch detention will be assigned.
- e. Additional referrals will result in disciplinary actions such as ISS or suspension.

Physical Contact

Students will adhere to the following requirements:

Hand holding for 9th-12th graders will be permitted. No hand holding for 6th-8th graders. Horse playing is not permitted. Draping arms around waists or shoulders is not permitted. Kissing at school is not permitted. Any other displays of affection will be a violation of school policy and students will be brought to the office, parents contacted and disciplinary action taken by the school. Violations include kissing, hugging and other acts of fondling. Displays of affection are not permitted in the school parking lot, on the bus, or during any related school activities.

EXTRA-CURRICULAR ACTIVITIES

All school rules apply during extra-curricular activities at both home & away school functions (including but not limited to: band performances, dances, plays, parades, athletic events, pageants, etc.). Students may not leave and re-enter facilities during any extra-curricular activity. Violators will face disciplinary action and loss of privileges to attend extra-curricular activities.

Positive cheering is encouraged. At no time should participants or spectators use profanity. Participants and spectators should not ridicule or single out players, other fans or officials. Fans are to stay in the bleachers to cheer and support their team.

TEXTBOOKS

Textbooks will be made available to students in each class for which a text has been adopted. School textbooks are the property of the state of Kentucky and Lee County Schools. Students are totally responsible for protecting textbooks from loss, theft, and damage once a book has been issued to them. Students will be charged the replacement price for textbooks that have been lost or have excessive damage. This charge must be collected before books are issued for the next school year or library books are checked out.

LIBRARY MEDIA CENTER

The library media center is available for all students during the school day. All students are encouraged to use this resource center. Books are issued to students for 14 days and may be renewed.

Dictionaries, atlases, encyclopedias, large expensive factual books, are classified as reference materials.

These can be used inside the library. Students are responsible for books they have damaged or lost. Students repeatedly ignoring requests to return an overdue book may be refused library privileges until library regulations have been met. All library materials should be handled with care. Good care of materials is important, since many students must use them again.

LOCKS & LOCKERS

Lockers are issued to every student at the beginning of each year. A non-refundable, yearly fee of \$5 will be charged for the use of the lockers. Students are required to use a school lock and keep locker secure at all times. Only one person will use each locker. Students should use only their assigned lockers. Items of value and/or money should not be left in lockers. The school is not responsible for any lost or stolen items. If a lock is lost, replacement cost is \$5.00. If lockers are damaged, vandalized, written on, etc., the student will be charged for the cost of repairing the locker. No locker will be issued the following school year until this is resolved.

BULLETINS AND ANNOUNCEMENTS

Teachers or students desiring an announcement shall bring it in writing to the office.

SOCIAL AFFAIRS

Social events held at school shall be approved by the principal and supervised by teacher sponsors. It is advocated that the event be held on Friday or Saturday nights, or night's not preceding school days.

LOITERING

At no time are students to loiter in or near the school building. Students must report directly to the bus, ride, or cars as soon as school is dismissed. Loitering is also prohibited during all extra-curricular activities outside the building or in the lobby. At no time are students to remain in or near the building unsupervised.

INDECENT EXPOSURE

Any student who exposes themselves to others at school or at a school-sponsored event will be suspended, referred to alternative school, refer to counseling, and/or recommended to the board of education for expulsion. The police and court-designated worker will be contacted.

DRIVING TO SCHOOL AND STUDENT PARKING

All students that wish to drive to school must obtain and fill out the required form with the necessary information and place it on file in the principal's office, along with appropriate fees. Additionally, parents must agree to have student participate in random drug screenings. If the application is approved, the student will be given a parking sticker or tag. Should privileges be terminated, parking fees are not refunded. Student grades will be assessed each grading period.

Parking spaces will be distributed by class. If students become eligible to obtain a parking space after the first of the year, they will be given the spaces left over. One space in the front (the one closest to the building) will be given to the attendance committee. The space would be reserved for a student with perfect attendance (who also has driving privileges and parking permit). The student selected would have the space for the next school week.

A parking area will be designated for students. Each student who drives will park his/her car in the morning and not return to the car or enter the car until school is dismissed, unless explicit permission is given from the office. No loitering in parking areas is permitted. Violation of the above rules shall result in driving privileges being revoked and possible suspension from school, or both. Student drivers who leave school without permission will automatically lose their driving privilege for the remainder of the school year.

Also, any student that skips school by failing to report to school at the appropriate time shall forfeit their driving privilege. When school is dismissed, drivers will leave in an orderly fashion. Students are expected to exit in an orderly fashion with no unnecessary horn blowing. Also all students are expected to leave the student parking lot in a safe and proper manner by exiting down the ramp from the student parking lot. Students will yield to buses allowing buses to exit first. Failure to follow this rule will result in the loss of driving privileges. Students who attend classes at the vocational school are not to take cars to the vocational school unless approved by the high school and vocational school principals. They are not to leave the vocational school grounds unless approval is given by the vocational school principal. Inappropriate signs, decals or bumper stickers are not permitted on vehicles in student parking lots.

In addition, drivers must have a minimum of liability insurance policy, and it must be in effect at all times the car is being driven to and from school. The school is not responsible for any accidents that occur at school during school hours. The school is not responsible for loss of personal property while vehicles are on school grounds. **Outstanding fees will prevent any student from obtaining a parking permit.**

NO PASS/NO DRIVE

The No Pass / No Drive Law (KRS 159.051) states that all students ages 16 or 17 can be denied a driver's license or have a license revoked for academic deficiency.

A student is considered academically deficient when he or she has not passed at least four courses or the equivalent of four courses in the previous semester, has accumulated 9 or more unexcused absences, or has dropped out of school.

When applying for a permit at the circuit clerk's office, students will be required to present a School Compliance Verification Form obtained from the student's school district of residence.

If a student becomes academically deficient, the Kentucky Transportation Cabinet will be notified, and that student's license will then be revoked. Students may reapply for a license once compliance is met.

ARRIVAL TO SCHOOL

No student should arrive at school before 7:45 a.m. Any student arriving earlier must enter through the front door and wait in the lobby area until the 7:45 bell rings. Student will then report to the cafeteria where a teacher or other staff member will be on duty. Any student arriving must sign in at the front office before reporting to their classroom. **Late arrivals are considered TARDY to school**

DEPARTURES FROM SCHOOL

Students **cannot leave the school grounds until the front office staff signs him/her out**. Students can only be signed out by their parent/guardian. In an emergency, students may only leave the school grounds with an adult listed on the students pick up list.

Students are not permitted to leave school for lunch.

Students remaining after school for a school activity must be supervised by their coach/sponsor and must be picked up promptly at the ending time of the activity. Students are not allowed to remain on the school grounds unsupervised between the end of school and the beginning of a scheduled activity. They must be picked up or ride the bus home and brought back to school, unless arrangements are made 24 hours prior to the activity.

Students who are waiting for a late ride should remain in the front lobby until their ride comes. Students can only be picked up in the front of the building

VISITORS TO SCHOOL

Students are not allowed to bring visiting students either to school or school activities that are chaperoned by the school. This includes school dances. Parents are welcome to visit at any time but are requested to schedule conferences in advance and check into the office upon arriving to receive a visitor pass.

LOST AND FOUND

Students should take care of their books, purses, clothing, and other property and should respect the property of others. The loss of any article should be reported to the office. Found purses, wallets, etc. will be searched for identifying purposes. Staff members cannot be responsible for any lost or damaged items, although every precaution will be made by the school to find and return items to the owner(s).

Non-authorized articles will be confiscated. Confiscated items will be held in the office until a parent or guardian picks them up. Teachers routinely take and hold items that a student should not have out during class time and return them to the student at the end of class with a warning. Repeated violations will result in the teacher sending the item to the office for parent pick-up only.

ACCIDENTS

All accidents resulting in an injury to a student should be reported immediately to the office. The school nurse will be notified and an accident report form must be completed and the parent or guardian notified. In the event that the school nurse is not available, office staff will complete the accident report and notify the parent. If the parent cannot be reached by phone, a copy of the accident report will be sent home with the student. In the event of a serious injury, administrative staff will determine if emergency procedures apply.

ILLNESS OR INJURY

If you become ill or are injured during school, obtain a pass from your teacher and report to the front office. Office staff will determine the need for the school nurse, or the need to call home. Temperatures will be taken and used as part of the determination.

LEGAL CUSTODY AND/OR GUARDIANSHIP

Unless legal guardianship or custody papers are filed with the school, both parents will be considered equal primary custodians of a student. Custody papers may be given to our attendance clerk, guidance counselor or principal. A grandparent or other relative who is assuming educational responsibility for a child in our school must have the appropriate paperwork completed. For more information, call Phillip Angel (DPP) at 464-5000.

OTHER

No skateboards or wheelies (shoes with wheels) are allowed on school property at any time. Bullying/harassment/threatening issues occurring off school grounds may be addressed by school personnel if it affects student safety/performance or normal school operations.

9. All school rules apply on the trip (see the General School Policies in the LCHS Handbook).
10. Final decision for attendance will be determined by school administration and sponsors.

ACADEMIC POLICIES AND PROCEDURES

GRADING SCALE

A	90-100
B	80-89
C	70-79
D	60-69
F	59 and below

GRADING

One of the most important concerns of each teacher should be the communication that she/he maintains with the student and with the parent. Grade reports are a necessary part of the teaching and educational programs. The method of arriving at a meaningful and understandable grade is important to many persons.

Grades should indicate actual achievement in the subject. Conduct or attitude is not to constitute a part of the grade, however participation in class activities may be included in the grade.

GRADUATION REQUIREMENTS

To graduate from Lee County Middle High School, a student must attain 25 credits.

Required units include:

<p style="text-align: center;">English 4 Mathematics 4 Science 3 Social Studies 3 Health Education ½ Physical Education ½ Humanities 1 Computer Application 1</p>

Four (4) years of class work are required to graduate unless a Hardship Application is approved by the Board of Education.

To obtain credit for a required class through credit recovery, a student must have received a failing final grade in the required class at Lee County High School.

Students may receive one credit during a summer school session. Credits may be earned in English, math, science, and social studies. Students can only enroll in summer school if they have received a failing grade.

Students in a college prep pathway will be required to complete 4 units of science.

Four credits of math are a graduation requirement. Seniors are required to take a math course during their senior year.

CLASS PROMOTION BY GRADE LEVEL IN GRADES 9-12

A student's standing as a sophomore, junior or senior depends upon the credits accumulated and upon his or her passing each year. Credits are awarded at the end of the school year. A student must meet the minimum requirements to be promoted. The minimum requirements are as follows:

Sophomore	Junior	Senior	To Graduate
5 credits	11 credits	18 credits	25 credits

SCHEDULE CHANGE REQUEST PROCESS FOR GRADES 6-8

Schedules for LCMHS students are created with the student's academic success as the number one priority. If you feel that your child needs a schedule change, please follow the procedure below.

The process for requesting a student schedule change for grades 6-8 is as follows:

1. Letter of request for schedule change written by the parent/guardian of the child stating why this change is being requested sent to the student's teaching team (6th, 7th or 8th grade team).
2. If this request made by the parent is deemed necessary, the team makes this request to the principal.
3. If possible, the principal makes the schedule change.
4. Individual student schedules can also be made if the teachers and principal feel it is in the best interest of the child. This can be done without parent consent or letter of request.

The process for requesting a student schedule change for grades 9-12 must go through the counselor.

SCHEDULE CHANGE REQUEST PROCESS FOR GRADES 9-12

In order for a student to make a schedule change the classes being changed must be of equal difficulty, and they must be classes designed for the grade level of the student.

To make schedule changes at the beginning of the year students must have the correct form filled out and signed by each teacher approving the new schedule.

For an Independent Study to be approved, the teacher, guidance counselor and principal must approve of the Independent Study before student will be placed.

No student shall be removed from one teacher to another in the same subject unless such a move is made for administrative reasons.

HOMEWORK POLICY

Homework is work completed by students outside of the classroom that helps students to practice, reinforce or apply skills and knowledge. Homework is not assigned as punishment, but is used to expand student learning and retention beyond the school day. Every student is expected to follow the homework policy established by classroom teachers.

HONOR ROLLS

All A Honor Rolls and A/B Honor Rolls are published at the end of each grading period. Students who obtain a grade of "A" in all assigned classes will be eligible for the "All A Honor Roll" and students who obtain a grade of "A" or "B" in all assigned classes will be eligible for the "A/B Honor Roll".

STUDENT COUNCIL

The student council is an organization through which the students may express their opinion, assist in the administration of the school, and participate in the management of school enterprises. The council tries to promote leadership, initiative, and self-control among the members. The council's principle purposes are:

1. Unify student activity under one control and promote the general activities of the school.
2. Aid in the internal administration of the school.
3. Teach the students the values of working in a democracy.

Membership to the council is as follows:

- 9 Seniors
- 7 Juniors
- 5 Sophomores
- 4 Freshmen

The membership of the council is elected each fall.

SCHOOL SPIRIT

School spirit means loyalty to all functions of the school. Loyal students support their school in all endeavors and do their best to keep scholastic and athletic activity standards at the highest possible level. It may be divided into three categories:

1. **Courtesy** - Toward teachers, students, visitors, and officials of school activities.
2. **Pride** - In everything our school works to accomplish and has accomplished.
3. **Sportsmanship** - The ability to **win** and **lose** gracefully

PROMOTION AND RETENTION IN GRADES 6-8

Retention or promotion for grades 6-8 is decided by the teachers and administrators, with input from parents, on a case by case basis and will consider the following guidelines:

Overall class failure or loss of credit at grades 6-8 will be based on less than a 59% overall average of the four core classes. **Teachers report student progress two times per nine week grading term.** A one call is issued to inform parents that these have been sent home. Teachers will contact parents with academic or behavior problems when deemed necessary. Parents can feel free to contact the teacher about the child's progress. Parents should schedule an appointment for teacher conference in order to avoid conflicts.

Make-up work for excused absences must be made up within 5 school days and this is the responsibility of the student. Principal discretion should be used in extreme cases.

Valedictorian/ Salutatorian

Candidates for valedictorian and salutatorian will complete a minimum of seven (7) credits per year (freshmen/sophomore/junior years) and be in the process of completing seven credits during the senior year and complete the course requirements of the pre-college curriculum. Grades for seven and one-half semesters in high school will be averaged in the graduating class. To qualify for either honor, the last two years' work must have been done by the student at this high school. All course work through seven and one-half semesters will be counted using a percentage of grades. If there is a tie for the honor of valedictorian or salutatorian that reaches the hundredths place on a one-hundred-point scale, then those students involved will share this honor. These grades will not be finalized until the end of the third nine weeks of the eighth semester. Additionally, candidates must also complete a minimum of three AP courses offered by LCMHS.

Individual Learning Plan (ILP)

All Lee County Middle High School students are required by law to have an individual learner plan.

Dual Credit and A.P. Courses

Students taking Dual Credit and A.P. courses may be required to pay for those courses and required exams.

Academic Regulations - Course Enrollment Per Year

All students must enroll in at least seven (7) subjects per year.

Incomplete grades

Any incomplete grade will automatically become an F at the end of the school year.

Failing a Class

Any student in grades 9-12 who fails a required subject must repeat that subject the next school year or as soon as possible.

Report Cards

Report cards are issued every grading period and will be sent home, either by the students or through the mail system. Report cards will be issued at the end of each nine (9) weeks grading period and mailed to the student's home address at the end of the school year.

Graduation & Graduation Practice

Students with more than two unexcused absences from graduation practice may not be able to participate in the commencement ceremony. Graduates will be given diplomas the day after graduation. Diploma jackets will be issued the day of graduation. Seniors are expected to have all fees paid prior to graduation

Entrance Requirements for Attending Lee County Area Technology Center

Students must be 15 years of age and have prior approval of vocational instructor for the course in which they are registering. Students who attend the vocational school **must be transported** to and from the school by riding the provided bus.

Cheating Policy

Students caught cheating the first time will be given a zero on the lesson or test in which they were cheating and the teacher will talk with them concerning the implication involved and try to determine what has led to this attitude on success. The second time the student is caught cheating they will also receive a zero on the lesson or test and will be brought before a committee composed of the principal, teachers, and counselor to determine appropriate discipline, and the parents will be informed. Students that cheat may be required to serve detention or be suspended from school.

Student Recognition Awards

The Lee County Schools recognize student achievement in many areas each spring. Students are recognized at school functions with input from community organizations. Listed are some of the awards of recognition presented to deserving Lee County students.

EXTRACURRICULAR POLICIES

Lee County Middle High School students involved in after school extracurricular activities must maintain a 70% grade point average. The 70% average must have been earned before trying out or participating in a sport, cheerleading, play or any other activity that requires time to be spent in practice or participation after school. The 70% average will be calculated by dividing the total number of classes being taken into the sum of the percentages for each class being taken. It must be stressed that the 70% average is an average of all seven classes and does not reflect just one grade or course, but the student's overall academic performance during the current grading period. According to KHSAA regulations, students must pass two hundred forty minutes' worth of classes given the school's schedule before participating in any sport activity.

The coach or sponsor will check grades on a weekly basis. If a student is found to be deficient, he or she will be temporarily suspended for one week from participating in competition, although participation in practice may continue. The coach or sponsor of each appropriate activity will inform the student in writing of the deficiency. The athletic director or appropriate designee will contact parents by written letter when a suspension from an activity is necessary and inform them of what is needed to correct the problem.

No special or bonus work shall be given to a student to help him/her attain the 70% average.

LCMS POLICY 8.0 Extracurricular Attendance Policy

EXTRA-CURRICULAR/CO-CURRICULAR ACTIVITIES (TO INCLUDE CLUBS/DANCES/TRIPS, ETC.)

PLAY A VITAL ROLE IN A WELL-ROUNDED INSTRUCTIONAL PROGRAM TO IMPROVE STUDENT

PERFORMANCE. THEREFORE, STUDENT ATTENDANCE SHOULD PLAY AN ESSENTIAL ROLE IN ALL

EXTRA-CURRICULAR ACTIVITIES.

STUDENTS MUST:

1. HAVE 3 OR LESS UNEXCUSED ABSENCES DURING FALL EVENTS.

OR

1. HAVE 6 OR LESS UNEXCUSED ABSENCES DURING SPRING EVENTS.

CRITERIA FOR PROGRAMS

For an extracurricular program to be continued or to institute a new program, the program must:

1. Contribute to the following Kentucky Learning Goals:
 - Becoming a self-sufficient individual.
 - Becoming responsible members of a family, work group, or community, including demonstrating effectiveness in community service.
2. Generate and maintain student interest as well as attract students currently not involved in extracurricular or service projects.
3. Encourage, enhance, and maintain equity including but not limited to a wide range of opportunities for both male and female students.
4. Have a suitable certified adult sponsor and have appropriate adult supervision at all times.

STUDENT PARTICIPATION

Students will be eligible to participate in extracurricular activities if they:

1. Maintain passing grades in all subjects.
2. Were in attendance on the day of the activity or on Friday for weekend activities, unless the absence was excused.
3. Comply with rules established by the adult coach or sponsor for the activity.
4. Where applicable, meet any requirements set by the appropriate sponsoring or governing organization.

STUDENT ATTENDANCE TO EXTRACURRICULAR ACTIVITIES:

In order to attend, students must:

1. Be in attendance on the day of activity or Friday before, unless the absence was excused.
2. Not be involved in discipline issues at school the day of or Friday before the activity.

COACHES AND SPONSORS

Each extracurricular activity will be led by an adult coach or sponsor who meets any applicable requirements set in law, or by sponsoring or governing organizations. The coach or sponsor will be responsible for personally supervising or ensuring that all students are supervised by an adult while they are participating in an activity, including practice time and travel time where applicable.

PROGRAM EVALUATION

Our extracurricular program will be evaluated through the needs assessment process for updating our School Improvement Plan.

LEE COUNTY SCHOOLS HEALTH PROGRAM

The following screenings are a part of the school health program.

1. Vision - grades 10 and 12
2. Height and weight - 9 through 12
3. Hypertension - 9 through 12
4. Scoliosis - 10 and 12
5. Head Lice
6. Scabies

****PEANUT ALLERGIES**

The Lee County School District Lee County Elementary and Lee County Middle High School have mandated the following food restrictions to ensure the safety and well-being of all Lee County students. Due to life threatening PEANUT food allergies, the Lee County School District has designated that all school lunchrooms will follow a NO PEANUT PRODUCT POLICY.

WEATHER RELATED ISSUES AND DRILLS

Severe Weather

The superintendent of Lee County Schools is in charge of dismissing schools due to severe or inclement weather. If the severe weather occurs at night, parents and students should listen for possible dismissal of school over the following radio and television stations: WKYT- Lexington, WLJC - Beattyville, WJSN- Jackson, WSGS- Hazard, and WLEX- Lexington. The superintendent is charged with the responsibility of checking with bus drivers, teachers, and non-professional staff, as well as the Kentucky Department of Highways, before making a decision about school. All people are notified in plenty of time to avoid dangerous travel on roads due to inclement weather such as snow storms, freezing rain, high water, mud slides, unsafe bridges, etc. If the severe weather occurs during school time, the superintendent will call key community helpers to determine if conditions exist to warrant cancellation of school after it is in session. The One Call system will be utilized district wide to disseminate information quickly.

Tornado Drills

Periodic tornado drills will be held during school hours. Students will be taught the appropriate procedures for tornado drills according to the Kentucky Civil Defense regulations. An "all clear" signal will sound before students and teachers may return to their classrooms.

Drills for other emergency procedures may be scheduled. Supervising teachers will assign any needed assistance to special needs students to facilitate building evacuation. Special needs designation includes, but is not limited to, students in wheelchairs, on crutches, limited mobility, limited cognitive ability, etc. Any student at risk during and/or after an evacuation procedure is considered "special needs".

Fire Drills

Fire drills will be held monthly. Students will be taught the appropriate behaviors for fire drills and will evacuate the building when the alarm sound and will return to their classrooms when the "all clear" sounds. Any student who tampers with the fire alarms, extinguishers or other emergency equipment will be suspended and the appropriate authorities notified.

Lock Down

During lockdown, students and staff will be required to remain in the classroom with the doors and windows locked and the window in the door covered. Staff will monitor their e-mail for information and will call or e-mail the office in the event of an emergency in their classroom.

School Violations Infractions and Consequences

Consequences may be repeated or skipped based on administration’s judgment of time between offences or improvements in behavior. Principals and other Administrators may use discretion based on the circumstances of the situation. These procedures are for office referrals and are followed with the understanding that appropriate classroom strategies have been followed before the referral was written. Consequences for offenses may be combined after the 2nd referral.

All school rules apply whenever the student is on the school campus, in the building, and/or on school trips. Students are expected to abide by these rules on the way to and from school. The principal is in charge of regulating all school rules. All staff members assist in the regulation of the school rules. Principal discretion shall be used when students are disciplined for an infraction of school rules. Police or other Authorities may be called throughout the Infraction cycle based on individual circumstances.

Alternative Setting (Bobcat Academy):

When a student is consistently experiencing problems at Lee County Middle High School and the learning environment of the school is being impaired, the student may be removed and placed at the Bobcat Academy. Students placed in alternative placement will be served by a teacher at the Bobcat Academy. Every attempt will be made to have students remain in the same courses as they had at LCMHS. Students will be placed at the academy for a minimum of 20 days. Students will return to LCMHS at the recommendation of the Bobcat Academy staff.
