

Logging into Chromebooks with a Badge

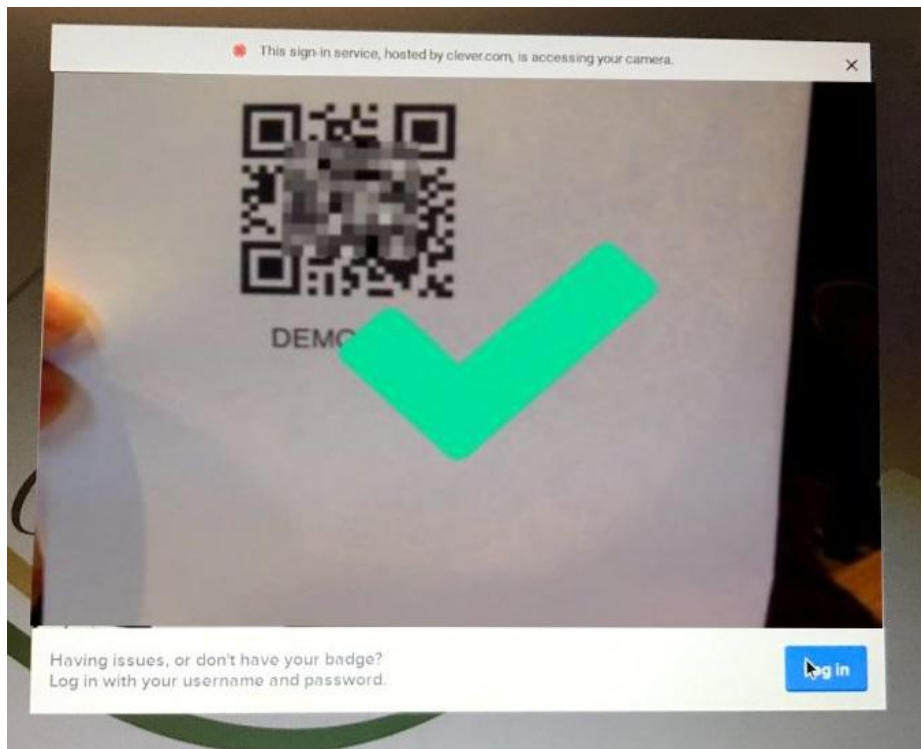

Once you have followed these instructions, you will be logged in and this puts you in CLEVER which houses all of your software programs and Google Classroom.

1. When you boot up your Chromebook, click on the blue "Next" button

2. Your webcam will turn on. Hold your badge up to the camera until you see the green check

Logging into Chromebooks with a Badge

3. And that's it! You're logged in to your Clever dashboard.
