

Lincoln Parish School Board
410 South Farmerville Street
Ruston, Louisiana 71270
318-255-1430, ext. 251

Good morning Lincoln Parish Parents,

The plan for distribution of hotspots has been developed. In this plan, priority will be given to students with special needs, completely virtual, or on the A/B schedule AND DO NOT HAVE INTERNET ACCESS. After these students receive their hotspots, other students will be considered based on need. This application process is for hotspots only, and not the actual technology devices. Technology devices will be distributed through your child's schools.

You may bring this application to Lincoln Parish School Board between 7:30 am – 4:00 Monday – Friday. Signatures of all students in the household and a parent will be required. A copy of the parent's driver's license or identification card is required. Copies of this form are provided at LPSB office if you need to pick one up to take home to complete and return with signatures. If you prefer, you may fax the completed application to 318-255-3203, or email it to brandon.sutherland@lincolnschools.org.

Your application will be processed, and those approved will be contacted when hotspots have been received and are ready for distribution. At that time, you will return to Lincoln Parish School Board to pick up your hotspot.

We apologize for the delay in the arrival of our devices and hotspots. Our goal is to have the hotspots distributed as soon as they arrive which should be within the next two weeks. Another order will be placed for more hotspots. Therefore, if you do not get one of the first 500 to arrive, you may have another chance at a later date.

If your child is registered in the virtual program or on the A/B schedule, please make arrangements now for your child to have internet access until all devices and hotspots have been received and distributed. He or she must be able to complete assignments and receive instruction.

We appreciate your patience while we work to provide the most efficient service to you and our students.
