EVALUATION OF SUPERINTENDENT

The Board of Education recognizes that student achievement, district progress and community satisfaction with the schools are all in large part affected by the superintendent's performance. The Board also recognizes the superintendent cannot function effectively without periodic feedback on performance, and is committed to ensuring that the superintendent is evaluated annually as required by Commissioner's regulations.

The purposes of the evaluation shall be to:

1. Gauge the district's progress toward the goals the Board has charged the superintendent to accomplish.
2. Provide a basis for assessing the strengths and weaknesses of the Board and the superintendent
3. Aiding in the professional development of both parties
4. Strengthen the working relationship between the Board and the superintendent.
5. Provide a basis for commending, rewarding and reinforcing good work.

The instrument the Board uses for evaluating the superintendent shall be Super Eval. The superintendent's evaluation will be filed in the district office and available for review by any individual no later than September 10th of each year.
