

## 20-21 eHS Orientation

Good afternoon Mets Nation,

The eHS 20-21 Orientation presentation is available at the links below and will be available on our website later today.

Click here: [Orientation Video](#)

The presentation is pre-recorded as a video and if you would like access to the links in the presentation there is a downloadable PDF below. It will here all year long so don't worry if you can't view it right now; just try to catch a glimpse before the first day of school on Monday, August 24th.

Please check the email from Mrs. Howard for important Orientation info.

If you have any questions, please click [THIS LINK](#) to submit your questions!

Thank you!
