

## **Macon County Schools**

### **Virtual Campus**

Update Aug. 17, 2020

To prepare parents and students for Virtual Campus, please see the date and info below regarding the program startup. Anyone with questions regarding Virtual Campus School should email David Flynn at [flynnd@maconcountyschools.org](mailto:flynnd@maconcountyschools.org). Parent communication for all K-8 students confirming Virtual Campus enrollment have been sent. Communication with high school parents is in progress.

Aug. 20th: Virtual Instructor Professional Development Day 1

Aug. 24th: Virtual Instructor Professional Development Day 2

Aug. 25: Initial Contact phone call with parents and Virtual Instructors

Aug. 26: Device pickup day for Chromebook loan program 9am-6pm

Aug. 27 & 28: Students receive login credentials for Google Classroom

Aug. 31: First Day of Instruction for Virtual Campus students

If your child is enrolled in Virtual Campus, please be expecting the calls on August 25. Virtual Instructors **MUST** speak to parents of students to begin the program. Phone numbers provided during the enrollment period will be used to contact parents. Virtual Instructors must speak with a parent/legal guardian during this call and not the student or other household member. Please be prepared with any initial questions you may have regarding the Virtual Campus program so you are prepared to speak with your child's assigned instructor.
