

# Commenting on Student Submissions

**PATH:** *Campus Instruction > Grade Book > Assignment > Student Submission*

You have the option of communicating directly with students regarding a specific assignment if you are using the Student Submission option for an [assignment](#).

Access submitted student submissions through the timestamp link in the Grade Book:

The screenshot shows a Grade Book interface with a task titled "TRW: Trigonometric Functions Worksheet". The task details include "Seq: 1.00", "Due: 12/21", "Homework", and "Points: 50". A "Student Submission" link is highlighted with a red box, and a red arrow points to a detailed view of the submission. The detailed view shows the assignment name, due date (12/21/2013 00:00), and submitted date (12/23/2013 13:22). It also displays a table of students with columns for "Students", "Att 12/21", and "S2". The student "11 Student, Andrew T" is listed. Below the table, the "Student Comments" section shows the comment "I'm not sure how to answer number 3." and the "Student Response" section shows the response "1. SOHCAHTOA", "2. Opposite, Adjacent, Hypotenuse", and "3. ??". A red box highlights the "Add Assignment Feedback" link at the bottom of the submission details.

## *Communicating with a Student Through an Assignment*

Using this feedback link, you can comment on a student's submission, answering specific questions or providing general feedback.

**Student Comments**  
I'm not sure how to answer #3.

**Student Response**

1. SOHCAHTOA
2. Opposite, Adjacent, Hypotenuse
3. ??

**Assignment Feedback**
