

Student Handbooks

In order to inform students, parents and staff members of pertinent Board policies, regulations and school rules and procedures, the administration shall publish and annually revise student handbooks containing information about the district as a whole and the individual school. The contents of student handbooks must conform with Board policies, administrative regulations, and state and federal laws and regulations. The Board of Directors shall conduct an annual review of the student handbooks. All first editions of handbooks and any substantive revisions are to be reviewed by legal counsel and approved by the Board prior to publication.

Handbooks shall be distributed to all students during student orientation or the first week of school each year and to new students when they enroll.
