### Secretary's Report: Julie Vaught

Julie Vaught previously emailed the minutes to all the Executive Board. Sheryl Harton requested a change to the cash balance in the minutes from \$6905.60 to \$12,805.35. K.C. Pummill motioned to accept the minutes with the change and Liz Rusher seconded. Unanimously approved.

### Treasurer's Report: Sheryl Harton

Sheryl Harton reported that the current cash balance is \$12,805.35. Sheryl reminded us that the PTSO board passed a motion to roll over \$6588.42 to the 2020-2021 budget. She has not set a budget yet due to the extenuating circumstances surrounding COVID-19, and she wanted to wait to see what the income would be this year before allocating funds. Corinne Power suggested keeping the budget more fluid this year to meet unanticipated needs. A Cheddar UP Link for collection of PTSO membership funds will be sent out to all FHS parents with the Dr. Dostal's email and the link will be on the FHS website.

Sheryl also motioned that the PTSO obtain RVNA insurance which would protect the PTSO members from liability should that become necessary. The cost would be approximately \$300 a year. If passed, she would bring us an exact figure and details of the protection at the next meeting. K.C. Pummill seconded the motion. Julie Vaught issued support. Unanimously approved.

#### Principal's Report: Dr. Jay Dostal:

Dr. Dostal outlined the options for the FHS Learning Options Survey which will be emailed to parents today. All Options will be taught by FHS teachers. The goal is to offer students a choice of learning situations that would best fit with the students' way of learning and also to reduce the number of students in the classroom in order to comply with the 6' social distancing mandate. The options are:

- A. 5 days in classroom. 2 A days, 2 B days, and one comprehensive day where students will stay in the cafeteria to complete any virtual assignments and receive additional help.
- B. 4 days in classroom and 1 day virtual. Same as option A, but on Friday, students will complete virtual assignments at home.
- C. 2 days in classroom and 3 days at home with virtual instruction. Students with last names A-L will be at FHS on M/T. Students with last names M-Z will be at FHS on W/TH. Friday is a virtual day at home for all.
- D. All classes virtual

Attendance will be required each day in classroom and counted in the virtual classroom by completing assignments/assessments on time. Virtual classes will consist of a 20-minute video of instruction followed by an assignment/assessment to be completed after the video.

Students in the classroom will have the same seating chart for the whole semester and will never be less than 6 feet apart for more than 15 minutes.

As of today, no school activities will be held including dances, theater, pep rallies, and homecoming.

Student schedules will be available through Home Access Account this Thursday. If a student needs to request a schedule change, that registration will be open Friday.

FHS will not test students for Covid-19. If a student is suspected of exposure, he/she will be retained in the Covid-19 Hall until a parent arrives and takes the student to a Covid-19 testing facility.
