

Procedure for Parent's Objections to Curriculum Topic or Material

1. The parent shall meet with the teacher first. The "Parent's Objection to Curriculum Topic or Material" form will be submitted prior to the meeting.
2. If the parent and the classroom teacher cannot reach agreement on an appropriate alternative educational experience, the parent may request a meeting with the principal.
3. Should the parent, staff members, and principal fail to reach an acceptable agreement through the above process, the parent will be referred to the Superintendent of Schools.
