

7th and 8th Grade Supply List

In hopes of helping our students stay organized better this year, the 7-8 team has decided to color code their classes when purchasing supplies--folders, notebooks, etc. This is a suggested list to help students when organizing homework assignments, notes, and class materials. We also suggest a 3-ring binder that zips, if possible, following the color coding of pocket folders.

Suggested Materials for all:

- 3-ring binder
- Pencil case
- Pocket folders following color coding
- Pens/pencils (preferably with replaceable lead to avoid getting up to sharpen)
- Personal pencil sharpener
- Correction tape/white-out
- Hole reinforcers
- Loose leaf lined paper and/or color coded notebooks (get extra of other colors for classes not listed)
- Index cards
- Colored pencils/markers (cannot share materials)
- Personal headphones/earbuds
- Refillable water bottle
- Lanyard for masks
- Extra mask
- Glue sticks
- Change of clothes and sneakers for PE
- Deodorant
- 2 Composition notebooks for Spanish (8th grade only)

Color Codes

7th Grade

ELA--Red
SS--Orange
Health--Yellow
Science--Green
Math--Blue
Home and Careers- Purple

8th Grade

ELA--Green
SS--Orange
Spanish--free choice
Science--Purple
Careers- Red
Math--Blue

7th Grade Math Supplies-

A scientific calculator, the Texas Instruments is the best
Grading pens (red, purple, pink or green)

7th Grade Science Supplies-

Green folder
Pens/pencils
Highlighters

Occasionally they need a calculator, but if they have the one that will work.

for math,

7th and 8th Grade Home and Careers

Notebook
