

CUSD 16 is part of the National Breakfast and Lunch Program which requires enrollment in the school district for distribution of student meals. Families will be charged for meals at the established prices. Families eligible for reduced prices will be charged reduced prices and families eligible for free meals will not be charged.

Meal distribution begins Thursday, August 20, 2020 and will be available to pick up on school days from 9:00am-11:00am at the following locations:

- New Berlin Elementary Building at the South entrance (where bus drop-off is and where you go in to the gymnasium)
- Loami Fire Station
- Deerfield Subdivision on the corner of Johanne Ct and Bradfordton Rd (under a blue tent)

Meals need to be picked up by the student, parent or guardian. Please remember to maintain social distancing at the distribution site.

An example of the breakfast is cereal or pastry, fruit, and white milk. A lunch bag may contain a cold cut sandwich or a microwavable item, fruit, vegetable, a snack item, and chocolate milk. We will have breakfast and lunch bags pre-made prior to arriving at the distribution sites so we will not accommodate personal preferences. If your student has an allergy, we will have substitute items available for them.

Please contact Jay Ayers with any questions at jayers@pretzelpride.com or 217-488-2040, ext. 518.
