Wes-Del Athletics INDOOR Spectator Info

All Sport Season Passes

With the uncertainty and ever changing landscape of education based athletics, we will NOT be selling season passes to begin this school year. With attendance restrictions, it would be impossible to guarantee season pass holders admission into our home events. Ticket prices will remain \$5.00 for ALL home events. Unfortunately, we will NOT be able to admit senior citizens into our events for free.

Masks

ALL spectators will be required to wear a mask/face covering when attending athletic events. Athletes will be required to wear a mask/face covering unless they are engaged in physical activity.

Venue

ALL HS and JH matches will take place in the High School Gym. Please enter through Main Entrance in front of school.

Attendance Capacity

The number of people permitted to be at an indoor event will be 250. This number includes all players, coaches, workers, event supervisors, and fans.

Gym Seating

Home team fans will sit in the West Bleachers (this is the opposite side of where you have sit in the past). Visiting fans will sit in the upper section of the East Bleachers. There will be a limited number of handicap seats on the floor. There will be markings on the bleachers for spectators to sit to ensure proper social distancing.

Student Section

There will be a designated student section for students who are able to attend a match. However, the students must stand/sit on a designated spot that will ensure proper social distancing.

Varsity Level Event Ticket Procedure

Each visiting team will be allotted 50 vouchers and 10 comp tickets to distribute at their discretion. Vouchers will need to be presented to our ticket takers in order to purchase a ticket.

NO Voucher = NO Ticket

The Wes-Del team will be given vouchers to distribute at their discretion. Any remaining vouchers will be available to WD Students/Staff. Vouchers **MUST** be presented at the door in order to purchase a ticket.

NO Voucher = NO Ticket

Junior High Events

- Attendance capacity will be capped at 250 people. This number includes all players, coaches, workers, event supervisors, and fans.
- **Tickets will be sold on a first come first serve basis only.** Vouchers will not be used. The number of tickets available for each event will be determined on a game by game basis. This number will depend on the number of essential personnel needed to run the event.

Concessions

Limited concessions will be available. We plan to sell bottled drinks and pre-packaged candy/food items. Fans will **NOT** be permitted to bring outside food/drinks to our events this fall.

PLEASE NOTE

All plans are subject to change moving forward. Please continue to check www.wdathletics.com and follow us on social media to get the most updated information.

If you feel sick, have any symptoms of Covid-19, have been exposed to a known positive Covid-19 person, are awaiting a Covid-19 test result, or have tested positive and are under quarantine, we ask that you please stay home.
