#### All Sport Passes

With the uncertainty and ever changing landscape of education based athletics, we will NOT be selling season passes to begin this school year. With attendance restrictions, it would be impossible to guarantee season pass holders admission into our home events. Ticket prices will remain \$5.00 for ALL home events. Unfortunately, we will NOT be able to admit senior citizens into our events for free.

#### Masks

ALL spectators will be required to wear a mask/face covering when attending athletic events. Athletes will be required to wear a mask/face covering unless they are engaged in physical activity.

All HS and JH home Football games will take place at Paul L. Parker Field. Visiting fans will enter through the gate on the South side of the complex and Home fans will enter through the main gate.
