Parents,

The Norman County East School 2020-21 Return to School Plan is posted on the school website located at www.nce.k12.mn.us. Please take some time to review this plan. The goal with this plan is to ensure that all students are safe and receiving a quality education. The School District continues to work closely with local public health and will monitor and make adjustments to the plan as necessary throughout the year.

The school needs your assistance for planning purposes. Please complete the "Start of School Survey" which is on the website www.nce.k12.mn.us under "News". This will provide the school with information about transportation, internet access, and food service needs.

Due to the Covid-19 situation, we are unable to have an Open House, so this year we will have Student/Parent/Teacher Pre-Scheduled conferences. This will allow students and parents the opportunity to visit the classroom, drop off supplies and ask any questions. These Pre-Scheduled Student/Parent/Teacher conferences will be held on the evening of Wednesday, Sept 2nd and during the day on Thursday, Sept. 3rd. Your pre-scheduled conference time will be mailed to you on August 19th.

Please contact the school with any questions!

Sincerely,

Rob Nudell

Superintendent
