

2020 Guidelines for a safer return to school

Face Coverings

Students, teachers, staff and visitors will be required to wear a face covering.

Social Distancing

Classroom seating and all activities will be arranged to include social distancing whenever possible.

Handwashing

Frequent handwashing and sanitizing will be taught and exercised.

Disinfection

Classrooms and building interiors will be disinfected on a daily basis, including surfaces and high-touch points.

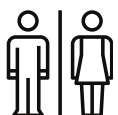

Backpacks and Lockers

Students will not be issued lockers. Personal belongings and school materials will be stowed in backpacks.

Water Bottles/Drinking Fountains

Students will use water bottles to fill at contactless drinking fountains or sinks.

Restrooms

Students will be allowed access to restrooms as needed.

School Meals

Meal times will be staggered to help with distancing.

Transportation

Students and bus drivers will be required to wear a face covering on busses. Seating will be assigned.

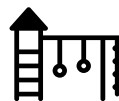

Office Areas

Plexiglass barriers will be in place to protect office staff, students and patrons when practical.

Foot Traffic Flow

Directional signs will be placed in classrooms, hallways and other parts of the building to help with social distancing.

Playgrounds

Playgrounds will be open for recess and equipment will be sanitized regularly.

School Visitors

Only essential visitors and volunteers, as approved by the principal, will be in the school.

Respect

All students will be taught to respect these and other guidelines.
