We are pleased to invite all **Royal Valley Students going into 3rd-6th grade** to a general athletic improvement camp from **8:00-9:00AM** on the dates indicated in gray on the above calendar. In this camp we instruct our future Panther Athletes in basic strength, speed, balance, coordination and plyometric movements. We also play games, such as tag, Agility Tic-Tac-Toe, React Rock-Paper-Scissors, Simon Says, etc. Everything we do is to help kids fall in love with training and competing together!!! We hope all parents/guardians in our community take advantage of this opportunity for our youth. If you have any questions please contact Coach Boucher at boucherd@rv337.org.
