

# -2020 Summary- Covid-19 Style Back to School Bash/School Supply Giveaway

Though Covid-19 put a damper on our plans, we were still able to bless the Bloomingdale and Pullman communities with school supplies to start off the year! Since we didn't hold an actual Bash in the Park, our goal was to purchase enough supplies for students and teachers in the entire district. The supply bags were teacher or grade level specific based on a survey sent out in June.

We received over \$1500 in cash donations and over \$1000 in supplies. On top of all of the donations, we had thirteen individuals helping pack the supply bags and deliver them to the schools. It was a true blessing!

## A HUGE thank you to our monetary and supply donors!!
