## Raymond Central High School

In response to the COVID-19 pandemic, Raymond Central will remain committed to providing a safe and sustainable environment while hosting activity events on and off campus. There will be procedures set in place to protect our officials, spectators, visitors, and our students. It is important to note that these procedures may be altered as we move through the season. Any changes will be communicated out to the Raymond Central Community. We ask for your full cooperation during this difficult time.
