

**Paris Middle School
Family and Community Engagement Plan
2020-2021**

Paris Middle School will create an environment of collaboration and learning by nurturing strong relationships with families and community to improve student achievement, as measured by growth in the number of families and community members who attend a meeting or training from year to year.

The goal of Paris Middle School is to foster and support active parental and community involvement in grades 5-8.

Priority 1: To maintain open, two-way communication between the home, school, and community.
