## **Behavior Plan**

1. First offence: verbal warning/reminder that their action is not acceptable.
2. Second offence: Child will take a break until the next guard rotation or when the guard has had a chance to discuss the behavior with the child.
3. Third offence: Child will be asked to leave the pool for the day after discussing their behavior with a guard.

**\*These are the general guidelines for rule infractions. Actual order and length of consequences are left to guard discretion based on the severity of the offenses.**

## **Inclement Weather/Pool Closure Protocols**

The pool may close under the following conditions:

- When the air temperature is less than 60 degrees F.
- In the occurrence of an electrical storm (thunder and/or lightning) the pool will remain closed for a minimum of 30 minutes, for the last occurrence, to make sure conditions are safe.

**\*If the pool closes due to inclement weather or cold temperatures, it will be posted on the Mondovi Swimming Pool's Facebook page.**

- In cases where fecal matter and/or vomit are found in the pool water, we will need to close in order to decontaminate the water.
