THIS INSTITUTION IS AN EQUAL OPPORTUNITY PROVIDER

THE SCHOOL DISTRICT OF MONDOVI DOES NOT DISCRIMINATE ON THE BASIS OF SEX, RACE, COLOR, NATIONAL ORIGIN, ANCESTRY, CREED, RELIGION, PREGNANCY, MARITAL OR PARENTAL STATUS, SEXUAL ORIENTATION, HANDICAP, OR PHYSICAL, MENTAL, EMOTIONAL OR LEARNING DISABILITY.

USDA BREAKFAST AND LUNCH

The Mondovi school district participates in the National School Lunch and School Breakfast Programs. Lunches are designed to provide 1/3 of the recommended dietary allowances for: protein, vitamin A , vitamin C, iron, calcium, and calories. In addition, no more than 30% of the calories come from fat and no more than 10% of calories come from saturated fat.

Breakfast provides ¼ of the recommended dietary allowances for the nutrients listed above and follows the guidelines of no more than 30% of calories from fat and less than 10% of calories from saturated fat.

OFFER VS SERVE

The Mondovi school district utilized the “offer vs serve” provision for breakfast and lunch.

In order to have a complete lunch, each student must choose three food components (grains/bread, meat, meat alternate, fruit/vegetable and milk. Students are encouraged to try all the side items offered, but are required to take a full ½ cup serving of the fruit/vegetable component. At breakfast, students may refuse one item, however they are required to take a full serving of a fruit or vegetable component.

Offering students options to compile a complete lunch or breakfast, rather than simply serving them, allows for less food waste because each child is given the choice to choose healthy food based on their personal preference. It also gives children a wider variety of foods to try, helping them prepare to choose healthy foods throughout their life.
