First Day Of School: August 25

Highland students will begin the 2020-21 school year with a full day of school on Tuesday, August 25 according to the schedule listed below. School lunch will be served on this day. School begins at 8:05 a.m.

Grade PK-5: Students will meet in their regular classrooms. A class roster will be posted by their classrooms and their teachers will meet students in their rooms.

Grades 6-8: Students will report to their 1st hour class at 8:05 a.m.

Grades 9-12: Students will report to the football field bleachers at 8:05 a.m. If there is inclement weather, students will report to the HS gym. Students will be able to pay consumable fees and purchase lunches in the main office before school, during lunch, or after school.

School Start and Dismissal Times
K-12  8:05 a.m.
K-5   3:25 p.m.
6-12  3:25 p.m.

Student Handbooks Sent Home First Day Of School
Student handbooks for all students grades K-12 will be sent home with students on the first day of school. Please watch for these handbooks and review them with your children at home. The handbooks include a listing of school personnel, school year calendar, and information regarding attendance, grading, school lunch, bus regulations, extracurricular activities, and other general information. Attached to the handbook is a three-part signature form. Please complete the form and return to school by August 31st.

Please take note of the attendance policies and be reminded that parents are to notify the school by 8:30 a.m. on any day your child will not be in school so that both the home and the school know where your child is. Also, in order to comply with State Law, school policy requires parents/guardians to send a written explanation for any absence when the child returns to school. Thanks for your cooperation in helping us look after the safety of your child.

School Pictures Taken September 2
School pictures for all grades will be taken Wednesday, September 2nd. Picture retakes are Thursday, October 8th.

NO SCHOOL: September 4 & 7
Due to Labor Day, there will be no school on Friday September 4th and Monday, September 7th.
From the Desk of the Superintendent

Dear Highland Families,

I am honored and excited to be the superintendent of the Highland School District. Highland has a tradition of excellence in academics, arts, and athletics. This is due to the involvement and support of the community and the hard work and dedication of our staff and students. I believe rural schools offer opportunities for all students to participate in activities that help to prepare them to become successful adults. This is an advantage that larger schools do not have. It is evident that Highland area residents take pride in their school and community.

Many of you know that I started my career in education here in Highland forty years ago as a coach and teacher of physical education, driver education and health. After two years of teaching, I left the profession to pursue business interests. I came back to teaching and coaching in 1992 and now I am starting my 20th year as a superintendent. Given the challenges we are all facing with the COVID-19 virus, it is important to work together, cooperate, and communicate to provide a quality educational experience along with keeping safety measures in place. Our current plans are subject to change and we will continue to communicate these changes as we move further into the school year.

I want to remind everyone of the importance of following the safety protocols we have established to help minimize risks for our students, staff, families, and community members. While we recognize that these measures are inconvenient, they are also quite necessary if we are to continue offering in-person learning.

Overall, our students have done an outstanding job with physical distancing, hygiene, and acting in a responsible manner. However, we all must do our part to be extra vigilant while the COVID-19 virus remains a factor.

We ask that all students carefully follow our safety procedures during the school day and when riding the bus to and from school.

If you have any questions or concerns, please do not hesitate to contact me. Thanks for your continued support of the Highland School District.

Sincerely,
Bryce Bird

School District of Highland
Annual Notice of Special Education Referral and Evaluation Procedures

Upon request, the Highland School District is required to evaluate a child for eligibility for special education services. A request for evaluation is known as a referral. When the district receives a referral, the district will appoint an Individualized Education Program (IEP) team to determine if the child has a disability, and if the child needs special education services. The district locates, identifies, and evaluates all children with disabilities who are enrolled by their parents in private (including religious) schools, elementary schools and secondary schools located in the school district.

A physician, nurse, psychologist, social worker, or administrator of a social agency who reasonably believes a child brought to him or her for services is a child with a disability has a legal duty to refer the child, including a homeless child, to the school district in which the child resides. Before referring the child, the person making the referral must inform the child’s parent that the referral will be made.

Others, including parents, who reasonably believe a child is a child with a disability, may also refer the child, including a homeless child, to the school district in which the child resides.

Referrals must be in writing and include the reason why the person believes the child is a child with a disability. A referral may be made by contacting Lindsay Jackson, School Psychologist, Highland School District, at (608) 929-4525, or by writing her at 1030 Cardinal Drive, Highland, WI 53543.
Phy Ed Reminder to Elementary Parents

For the safety of the kids and care/maintenance of the gym floor, elementary students will need “non-marking” shoes, (no sandals, boots, or other open-toed shoes) for physical education classes. We recommend that you keep a clean (they do not have to be new) pair of shoes here at school. Thanks for your cooperation!

New Families – Please Register

If you have recently moved into the Highland School District and have a child between the ages of 0-19, please register at the district office before August 21 (929-4525). If your child/ren will be entering 4K-12 grade, please plan to complete enrollment forms as well.

Hall of Fame Banquet 2020

The Hall of Fame Banquet has been cancelled this year. We hope to bring back this time honored tradition for Homecoming 2021.

Drive Slowly and Carefully

School buses will soon be sharing the roads with us again, and many children will soon be crossing streets to get to school. All drivers are urged to watch out for that bus stop just over the next hill or around the next corner, as well as the child darting into the street in front of you. Also, students and staff who drive to school are reminded to enter and exit school parking lots slowly and carefully before and after school/practices/events to avoid any accidents and injuries to other vehicles or people, including children who walk to school through the parking lot or who play on school property.

Insurance for Students

The Highland School District does not provide health or accident insurance for injuries incurred by your child at school except for supplemental athletic insurance which covers scheduled and supervised practice, competition, and related transportation for athletes in grades 6-12. However, student accident insurance is being made available to families through the school by a commercial insurance company. Coverage information and application forms will be sent home with each student. Please review your own insurance coverage to determine your interest/needs in this program.

Lost and Found

Each year many items are turned in to the lost and found never to be claimed again. At the end of the school year these items are then donated to Saint Vincent De Paul. So that we may return these items to their rightful owners, please label your child(ren) clothing, coats, shoes, and boots.

Nondiscrimination

The School District of Highland is committed to a policy of nondiscrimination in relation to race, color, religion, sex, age, national origin, sexual orientation, marital status, arrest or conviction record, handicap, and other human differences. This policy will prevail in all matters concerning staff, students, the public, educational programs and services, and individuals with whom the Board does business.

In keeping with the requirements of federal and state law, the School District of Highland shall strive to remove any vestige of discrimination in employment, assignment, and promotion of personnel; in educational opportunities and services offered students, in their assignment to schools and classes, and in their discipline; in location and use of facilities; in educational offerings and materials.

If you have any questions or wish to register a complaint, please contact Superintendent Bryce Bird at 1030 Cardinal Drive, Highland, Wisconsin or 608-929-4525.

High School Letter Jackets

If you would like to order a high school letter jacket, please stop in the high school office for more information.

Parent/Teacher Conferences

MS/HS-October 1 & 6 - 4:00 – 7:00 p.m.
Elementary-November 12 & 17 - 4:00 – 7:00 p.m.

MS/HS Parent/Teacher conferences will be held on Thursday and Tuesday, October 1st and 6th. Conferences will be held 4:00 – 7:00 p.m. on both nights.

Elementary Parent Teacher Conferences will be held on Thursday and Tuesday, November 12 and 17. Conferences will be held 4:00 – 7:00 on both nights.

Both the Ms/HS and Elementary Conferences are subject to change.
Meet The Teacher:  
Ms. Schwartzhoff

Teaching is my passion! I am so excited for this year as the new middle school ELA teacher. This year will be full of learning and different experiences for us all.

This will be my first year teaching at Highland Community School District. Previously, I taught seventh grade ELA at MFL MarMac in McGregor, Iowa. My mission is to create a safe learning environment for my students. I believe that it is important to make the content relevant to help students become lifelong achievers. I cannot wait to get to know you all and I look forward to a fantastic year together.

A few of my favorites:

Color: Blue  
Season: Fall  
Book: Girl On The Train by Paula Hawkins  
Sport: Cross Country  
Teams: Vikings, Brewers, & Iowa Hawkeyes

Hobbies: Reading, Hiking, & Spending time with family and friends

Immunizations

Just a reminder for all parents of 5 year old kindergarten students. Please have all the required immunizations done prior to the first day of school. Parents should have received a notice as to what your child needs prior to school entrance. These immunizations are available at either your doctor’s office or through the Iowa County Health Department.

Students entering grade 6 must have received the Tdap vaccine (tetanus with the pertussis - whooping cough component) prior to school starting.

Thank you

Sharon Friederick RN  
School Nurse, Highland School

FREE Dental Program

Seals-On-Wheels Oral Health Program will be providing FREE dental care at your child’s school during the 2020-21 school year. All students are eligible to participate in this free program that provides dental screenings, cleanings, sealants, and fluoride treatments by a registered dental hygienist. Students of all ages can benefit from this dental program. Seals-On-Wheels will examine your child’s teeth and provide oral hygiene instruction. They will also place sealants on all erupted adult teeth for free. These preventative services are conveniently provided during the school day with minimal disruption to your child’s class schedule, plus your child receives a toothbrush, toothpaste, floss, and a letter to parents. To sign up or learn more, please visit your school’s office for a permission form or you can register online at https://sealasmile.wisconsin.gov/Consent

Vaccination Reminder

A note was recently mailed home reminding those parents who have children needing required immunizations before school starts in the fall. With our current pandemic, we need to be diligent with getting our kids immunized for the vaccine preventable childhood diseases.

Iowa County Health Dept, area clinics, and health care facilities are reminding parents to stay on track with vaccines during this time. They are taking appointments to make sure your child(ren) receives their school required vaccinations, as well as vaccines required during infancy. They have many protocols and policies in place to keep you and your child safe and healthy when you enter their facility.

They are encouraging parents to call now to make these appointments to avoid the late summer rush.

Feel free to contact me with any questions or concerns,

Sharon Friederick RN  
School Nurse

PLEASE HELP YOUR BUS DRIVER

If your child will not be riding the bus to school in the morning, please telephone your bus driver by 6:15 a.m. (please see phone numbers at right). Children riding the bus to a place other than home MUST have a written note from their parent giving such permission. Thanks for your help.

BUS DISCIPLINE PROCEDURES

1. First violation of bus regulations
   a. Driver documents violation and reports it to school administration.
   b. The situation will be reviewed with the student, discipline will be administered, which may include suspension from bus riding privileges.
   c. Parents will be notified.

2. Second violation
   a. Same as above.
   b. Discipline will be administered, which may include suspension from bus riding privileges.
   c. Parents will be called in for a conference with school administration.

3. Third violation
   a. Same as above.
   b. Discipline may be a suspension from bus-riding privileges.

4. Additional violations
   a. Same as above.
   b. Suspension from bus-riding.

5. Continuation of violations of bus regulations could lead to indefinite loss of bus-riding privilege. Such continuations would involve a hearing, including due process, with the School Board.

6. Any behavior that endangers the safety of others shall permit the immediate removal of the student from the bus.

7. Depending on the nature of the violation, students who fail to comply with the bus regulations are subject to detentions, in-school suspension, and/or loss of bus-riding privileges.

School Bus Safety Guidelines August 2020 COVID

Dear Parents/Guardians and Students,

Please review the new school bus safety guidelines with your children for this school year. Warco has always been committed to the health and safety of our valued employees and passengers...now more than ever.

Warco has implemented the following recommended best practices to help protect our passengers and professional drivers.

For the Safety of Our Valued Employees and Passengers, Warco Recommends the Following:

- One passenger per seat in the bus, which would total 21 to 23 passengers
- Assigned seating—Driver will assign seats
- Siblings or same household will sit together
- Limit, to the extent possible, close contact with others by maintaining a distance from other passengers while entering and exiting the vehicle
- Implement socially—distanced seating when possible and wear face masks whenever in close proximity to others. We require everyone to wear a mask throughout the duration of the trip.
- Avoid touching your eyes, nose, and mouth
- Monitor your temperature and stay home if you are sick
- NO eating, NO drinks, and NO chewing gum on the bus to and from school
- No bus passes this year. This means you must have your daycare scheduled for the year. Shared custody schedules will be accommodated; although we highly encourage condensing/limiting locations this school year.

Sincerely,
Tom Hoffman President

School Bus Safety Guidelines August 2020 COVID

Dear Parents/Guardians and Students,

### 4-YEAR OLD KINDERGARTEN
Supply list for 4K students will be mailed individually.

**Note to Elementary Students:**
Wheeled book bags do not fit well in lockers!
Please keep an extra pair of clean (they do not have to be new) tennis shoes at school for Phy Ed.

### 5-YEAR OLD KINDERGARTEN
*1 box of crayons  
*Scissors  
*Markers  
*Colored pencils  
*1 two pocket folder  
*Pencil/supply box  

**ART SHIRT**  
Pencils-Sharpened  
1 large Elmer’s glue  
2 large glue sticks  
1 large box tissues  

### GRADE 1
Crayons  
Scissors  
Pencil top erasers  
#2 pencils-sharpened  
Small pencil sharpener for your desk  
Colored pencils  
Wide-lined spiral notebook  
View binder 1½ inches  
Markers  
2 glue sticks  
Scotch tape  
1 pkg black Expo thin dry erase markers  
2 or more  
2 pencil boxes to organize supplies  
1 large box tissues  
Personal water bottle  

**ART SHIRT-Labeled with name**  
(new students only)

### GRADE 2
Crayons  
Colored pencils  
Scissors  
1 glue stick  
1 Elmer’s school glue  
Highlighter  
#2 pencils-sharpened  
Small pencil sharpener for your desk  
pkg of pencil-top erasers  
1 large box of tissues  
Markers  
1 pkg black Expo thin dry erase markers  
4 or more  
2 small boxes to organize crayons, etc  

### GRADE 3
Pencils  
Crayons  
Markers  
1 blue pen  
1 large box of tissue  
1 Scotch tape  
1 pkg. thin black dry erase markers  
1 mismatched sock  
4 folders  
2 wide-lined spiral notebooks  
1 composition notebook  
Hand held pencil sharpener  
Colored pencils (optional)  
**ART SHIRT-Labeled with name**  
(new students only)

### GRADE 4
2 wide ruled notebooks  
(red and 1 of your choice)  
4 folders with fasteners  
(red, yellow, green, and blue)  
Pencils  
2 colored pens (your choice of color)  
Scissors  
2 black Sharpie markers  
(one ultra-fine point, one regular point)  
Markers  
Colored pencils  
2 Scotch tape  
1 Highlighter  
1 pkg. black expo thin dry erase markers  
2 large glue sticks  
2 large boxes of tissues  

**ART SHIRT-Labeled with name**  
(new students only)

### GRADE 5
2 One subject notebooks  
4 Two pocket folders (color & design your choice)  
2 Composition notebooks (w/hardcover front & back)  
1 pack lined notecards  
4 fine point dry erase markers  
1 dry erase eraser  
Scissors  
2 large glue sticks  
Markers  
Colored pencils  
Pencils  
Colored Pens  
1 Scotch tape  
2 black Sharpie markers (one ultra-fine & one regular)  
Erasers  
2 highlighters (each a different color)  
2 boxes of tissues  
Personal water bottle  

**ART SHIRT-Labeled with name**  
(new students only)

### GRADES 6-8
Science-1 blue folder & 2 composition notebooks  
Language Arts-1 yellow folder & 2 composition notebooks  
Math-1 red folder & 2 red notebooks  
Social Studies-1 green folder & 1 green notebook. 8th 2 notebooks  
1 composition notebook (field day)  
Markers  
Highlighters  
3 large glue sticks  
Pens  
Pencils  
Scissors  
1 fine point black Sharpie  
24 count box of colored pencils  
1 package of note cards 3x 5 lined  
2 large boxes of tissues-unscented, no lotion  
Corded headphone or earbuds-no wireless!  
All supplies must fit in lockers.

---

**Note to Elementary Students:**
Wheeled book bags do not fit well in lockers!
Please keep an extra pair of clean (they do not have to be new) tennis shoes at school for Phy Ed.

Athletic Announcements

Athletic Insurance For 2020-2021

1. Athletic insurance coverage provided by the school district is through Student Assurance Service, Inc. It is a supplemental program of insurance.

2. This insurance offers protection for all students enrolled in the school while
   A. Practicing for or competing in interscholastic sports, which are scheduled by the school, and while the student is under the direct supervision of a school employee.
   B. Traveling to and from such practices or competition in school provided transportation.

3. Student must be treated by a licensed physician within 60 days of the date of injury.

4. Claim Filing Procedures—Filing of the claim is the parent’s responsibility.
   A. Parents notify the school and obtain a claim form immediately. The school will fill out Part A if it’s a school injury.
   B. Parents complete Part B. Answer all questions.
   C. Dental accidents are often covered by health insurance, please submit charges for all dental accidents to your family health insurance first.
   D. Parents submit copies of your itemized bills to your own family insurance first, even if you have a large deductible. You may be sent an Explanation of Benefits (EOB)
   E. Parents send the claim form, copies of itemized bill and the EOB to:
      Student Assurance Service, Inc.
      PO Box 196 | Stillwater MN 55082
   F. The claim will be completed when all of the above documents have been provided.

Middle School Volleyball Players

At this time it is yet to be determined if there will be a MSVB season. If we do have a MSVB season, students will be informed. The season would not begin until September 7th. Practice will be in the Elementary School gym from 3:30-5:00. STUDENT ATHLETES MUST HAVE ALL REQUIRED FORMS TO THE HIGH SCHOOL OFFICE BEFORE PARTICIPATING IN PRACTICE. If you have any questions, contact Lynn Michek, Athletic Director.

WIAA Physical Extension Form

The sole purpose of this form is to allow an extension of a student’s physical during the Coronavirus pandemic only if/when the student’s local primary care physician is unable to provide a new physical for the student that already has an existing physical on file with the school.

The extension form is to be completed by the parent of the student-athlete. While the student’s physical time period will be extended, it is expected that the student does get a physical by their primary care physician as soon as possible. Under no circumstances will this extension be valid beyond the 2020-21 school year.

To participate on a school-sponsored interscholastic athletic team or squad, a student 1) whose physical examination was completed, 2) whose physical is on file with the school, and 3) whose local primary care physician is unable to provide a new physical, must submit the extension form to the school. This health history update questionnaire must be completed and signed by the student’s parent or guardian for review by the school athletic director and/or school nurse.

Any student who does not have an existing physical on file with the school will require a physical with their primary care physician before participating in practice and competition. (ie: freshman who did not have a middle school physical or senior who did not have a physical since freshman year). The extension form is not to be used for those students.

You can find an extension form on the Highland Cardinals School website or call the school office at 608-929-4525.

Fall Sports Schedules

Reminder to please check rSchool for the most up-to-date schedules.

If you wish to purchase an athletic pass, please call the office.

All State Softball

Each spring the Wisconsin Fastpitch Softball Coaches Association puts together a roster of the State’s most talented softball athletes to participate in the All Star games. This year due to the Covid-19 outbreak, the WFSCA All Star games did not take place. However, the 2020 Senior All Stars have still been announced. Highland is excited to congratulate, Grace Pustina, Carlee Kosharek and Haley Kleist who were selected as part of this group.

In addition, the Wisconsin Fastpitch Softball Coaches Association recognized Carlee Kosharek and Grace Pustina for the Academic All State Award. This award is given to senior athletes with at least a 3.5 cumulative GPA.

Congratulations on these tremendous accomplishments!

Athletic Notifications

If you would like to sign up for text and/or email athletic notifications, you may do so on the web page. Use the rSchool link under Athletics. Under the calendar on rSchool home page you will see a Notify Me link.

Free and Reduced Meal Application

The Highland School District announced its policy for children unable to pay the full price of school meals or milk served under the School Day Milk Program.

If you feel your family might qualify for free or reduced priced meals, we encourage you to submit an application. Application forms are available on the district website. To apply for free/reduced meals, households must fill out the application and return it to the school. Additional copies are available at the district office. The information provided on the application will be used for the purpose of determining eligibility and may be verified at any time during the school year by school officials. Applications may be submitted at any time during the year.
Actions to take and points to consider

☐ Check in with your child each morning for signs of illness. If your child has a temperature of 100.4 degrees or higher, they should not go to school.

☐ Make sure your child does not have a sore throat or other signs of illness, like a cough, diarrhea, severe headache, vomiting, or body aches.

☐ If your child has had close contact to a COVID-19 case, they should not go to school. Follow guidance on what to do when someone has known exposure.

☐ Identify your school point person(s) to contact if your child gets sick.

☐ Be familiar with local COVID-19 testing sites in the event you or your child develops symptoms. These may include sites with free testing available.

☐ Make sure your child is up-to-date with all recommended vaccines, including for flu. All school-aged children should get an influenza flu vaccine every season, with rare exceptions. This is especially important this year because we do not yet know if being sick with COVID-19 at the same time as the flu will result in more severe illness.

☐ Review and practice proper hand washing techniques at home, especially before and after eating, sneezing, coughing, and adjusting a face cover. Make hand washing fun and explain to your child why it’s important.

☐ Be familiar with how your school will make water available during the day. Consider packing a water bottle.

☐ Develop daily routines before and after school—for example, things to pack for school in the morning (like hand sanitizer and an additional (back up) cloth face covering) and things to do when you return home (like washing hands immediately and washing worn cloth face coverings).

☐ Talk to your child about precautions to take at school. Children may be advised to:
  • Wash and sanitize their hands more often.
  • Keep physical distance from other students.
  • Wear a cloth face covering.
  • Avoid sharing objects with other students, including water bottles, devices, writing instruments, and books.
  • Use hand sanitizer (that contains at least 60% alcohol.) Make sure you’re using a safe product. FDA recalled products that contain toxic methanol. Monitor how they feel and tell an adult if they are not feeling well.

☐ Develop a plan as a family to protect household members who are at increased risk for severe illness.

☐ Make sure your information is current at school, including emergency contacts and individuals authorized to pick up your child(ren) from school. If that list includes anyone who is at increased risk for severe illness from COVID-19, consider identifying an alternate person.

☐ Be familiar with your school’s plan for how they will communicate with families when a positive case or exposure to someone with COVID-19 is identified and ensure student privacy is upheld.

☐ Plan for possible school closures or periods of quarantine. If transmission is increasing in your community or if multiple children or staff test positive for COVID-19, the school building might close. Similarly, if a close contact of your child (within or outside of school) tests positive for COVID-19, your child may need to stay home for a 2-week quarantine period. You may need to consider the feasibility of teleworking, taking leave from work, or identifying someone who can supervise your child in the event of school building closures or quarantine.

cdc.gov/coronavirus
Plan for transportation:

- If your child rides a bus, plan for your child to wear a cloth face covering on the bus and talk to your child about the importance of following bus rules and any spaced seating rules.
- If carpooling, plan on every child in the carpool and the driver wearing cloth face coverings for the entire trip. If your school uses the cohort model, consider finding families within your child’s group/cohort at school to be part of the carpool.

If your child has an Individualized Education Program (IEP) or 504 Plan or receives other learning support (e.g., tutoring), ask your school how these services will continue.

If your child receives speech, occupational or physical therapy or other related services from the school, ask your school how these services will continue.

If your school uses a cohorting model, consider limiting your child’s in-person out-of-school interactions to children in the same cohort or to activities where physical distancing can be maintained.

Reinforce the concept of physical distancing with your child.

Talk to your school administrators and teachers about their plans for physical education and physical activity (e.g., recess).

Safer options include being outdoors when possible, reducing the number of people in an indoor space, and encouraging students to stay at least 6 ft apart.

Ask how your school plans to help ensure that students are following practices to reduce the spread of COVID-19.

---

**Cloth Face Coverings**

If your school is requiring or encouraging cloth face coverings

**Actions to take and points to consider**

- Have multiple cloth face coverings, so you can wash them daily and have back-ups ready. Choose cloth face coverings that
  - Fit snugly but comfortably against the side of the face
  - Completely cover the nose and mouth
  - Are secured with ties or ear loops
  - Include multiple layers of fabric
  - Allow for breathing without restriction
  - Can be washed and machine dried without damage or change to shape
- Label your child’s cloth face coverings clearly in a permanent marker so that they are not confused with those of other children.
- Practice with your child putting on and taking off cloth face coverings without touching the cloth.
- Explain the importance of wearing a cloth face covering and how it protects other people from getting sick.
- Consider talking to your child about other people who may not be able to wear cloth face coverings for medical reasons (e.g., asthma).
- As a family, model wearing cloth face coverings, especially when you are in situations where physical distancing is difficult to maintain or impossible.
- If you have a young child, help build their comfort wearing a cloth face covering and become comfortable seeing others in face covers.
  - Praise your child for wearing a cloth face covering correctly.
  - Put a cloth face covering on stuffed animals.
  - Draw a cloth face covering on a favorite book character.
  - Show images of other children wearing cloth face coverings.
• Allow your child to choose their cloth face covering that meets any dress requirements your school may have.

• Suggestions from the American Academy of Pediatrics

• If your school is requiring or encouraging cloth face coverings

☐ Consider providing your child with a container (e.g., labeled resealable bag) to bring to school to store their cloth face coverings when not wearing it (e.g., when eating).

Mental Health & Social-Emotional Wellbeing Considerations

Actions to take and points to consider

☐ Talk with your child about how school will look different (e.g., desks far apart from each other, teachers maintaining physical distance, possibility of staying in the classroom for lunch).

☐ Talk with your child about how school is going and about interactions with classmates and teachers. Find out how your child is feeling and communicate that what they may be feeling is normal.

☐ Anticipate behavior changes in your child. Watch for changes like excessive crying or irritation, excessive worry or sadness, unhealthy eating or sleeping habits, difficulty concentrating, which may be signs of your child struggling with stress and anxiety.

☐ Try to attend school activities and meetings. Schools may offer more of these virtually. As a parent, staying informed and connected may reduce your feelings of anxiety and provide a way for you to express any concerns you may have about your child’s school.

☐ Ask your school about any plans to reduce potential stigma related to having or being suspected of having COVID-19.

☐ Check if your school has any systems in place to identify and provide mental health services to students in need of support. If so, identify a point of contact for these services at your school.

☐ Check if your school has a plan to help students adjust to being back in school. Students might need help adjusting to how COVID-19 has disrupted their daily life. Support may include school counseling and psychological services (including grief counseling), social-emotional learning (SEL)-focused programs and curricula, and peer/social support groups.

☐ Check if your school will provide training for students in mindfulness, incorporating SEL into classroom curriculum (either virtually or in-person), or support a child’s ability to cope with stress and anxiety. If not, consider asking about ways to add this to your child’s at-home learning.

☐ You can be a role model for your child by practicing self-care:
  • Take breaks
  • Get plenty of sleep
  • Exercise
  • Eat well
  • Stay socially connected

How to wear cloth face coverings

WEAR YOUR FACE COVERING CORRECTLY

• Wash your hands before putting on your face covering

• Put it over your nose and mouth and secure it under your chin

• Try to fit it snugly against the sides of your face

• Make sure you can breathe easily
WEAR A FACE COVERING TO PROTECT OTHERS

- Wear a face covering that covers your nose and mouth to help protect others in case you’re infected with COVID-19 but don’t have symptoms
- Wear a face covering in public settings when around people who don’t live in your household, especially when it may be difficult for you to stay six feet apart
- Wear a face covering correctly for maximum protection
- Don’t put the face covering around your neck or up on your forehead
- Don’t touch the face covering, and, if you do, wash your hands or use hand sanitizer to disinfect.
Highland School District
Confidentiality of Personally Identifiable Information
Obtained Through Child Find Activities

This information in this publication also appears in Spanish and Hmong.

Highland School District is required to locate, identify, and evaluate all children, with disabilities, including children with disabilities attending private schools in the school district, and homeless children. The process of locating, identifying, and evaluating children with disabilities is known as child find. This agency conducts developmental screening of preschool children annually. This notice informs parents of the records the school district will develop and maintain as part of its child find activities. This notice also informs parents of their rights regarding any records developed.

The school district gathers personally identifiable information on any child who participates in child find activities. Parents, teachers, and other professionals provide information to the school related to the child’s academic performance, behavior, and health. This information is used to determine whether the child needs special education services. Personally identifiable information directly related to a child and maintained by the school is a pupil record. Pupil records include records maintained in any way including, but not limited to, computer storage media, video and audiotape, film, microfilm, and microfiche. Records maintained for personal use by a teacher and not available to others and records available only to persons involved in the psychological treatment of a child are not pupil records.

The school district maintains several classes of pupil records.

- “Progress records” include grades, courses the child has taken, the child’s attendance record, immunization records, required lead screening records, and records of school extra-curricular activities. Progress records must be maintained for at least five years after the child ceases to be enrolled.

- “Behavioral records” include such records as psychological tests, personality evaluations, records of conversations, written statements relating specifically to the pupil’s behavior, tests relating specifically to achievement or measurement of ability, physical health records other than immunization and lead screening records, law enforcement officers’ records, and other pupil records that are not “progress records.” Law enforcement officers’ records are maintained separately from other pupil records. Behavioral records may be maintained for no longer than one year after the child graduates or otherwise ceases to be enrolled, unless the parent specifies in writing that the records may be maintained for a longer period of time. The school district informs parents when pupil records are no longer needed to provide special education. At the request of the child’s parents, the school district destroys the information that is no longer needed.

- “Directory data” includes the student’s name, address, telephone listing, date and place of birth, major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, photographs, degrees and awards received, and the name of the school most recently previously attended by the student.

- “Pupil physical health records” include basic health information about a pupil, including the pupil’s immunization records, an emergency medical card, a log of first aid and medicine administered to the pupil, an athletic permit card, a record concerning the pupil’s ability to participate in an education program, any required lead screening records, the results of any routine screening test, such as for hearing, vision or scoliosis, and any follow-up to the test, and any other basic health information, as determined by the state superintendent. Any pupil record relating to a pupil’s physical health that is not a pupil physical health record is treated as a patient health care record under sections 146.81 to 146.84, Wisconsin Statutes. Any pupil record concerning HIV testing is treated as provided under section 252.15, Wisconsin Statutes.

The Family Educational Rights and Privacy Act (FERPA), the Individuals with Disabilities Education Act (IDEA), and section 118.125, Wisconsin Statutes, afford parents and students over 18 years of age ("eligible students") the following rights with respect to education records:

- The right to inspect and review the student’s education records within 45 days of receipt of the request. Parents or eligible students should submit to the school principal a
written request that identifies the records(s) they wish to inspect. The principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected. The school district will comply with the request without unnecessary delay and before any meeting about an individualized education program, or any due process hearing, and in no case more than 45 days after the request has been made. If any record includes information on more than one child, the parents of those children have the right to inspect and review only the information about their child or to be informed of that specific information. Upon request, the school district will give a parent or eligible student a copy of the progress records and a copy of the behavioral records. Upon request, the school district will give the parent or eligible student a list of the types and locations of education records collected, maintained, or used by the district for special education. The school district will respond to reasonable requests for explanations and interpretations of the records. A representative of the parent may inspect and review the records.

The right to request the amendment of the student’s education records that the parent or eligible student believes is inaccurate or misleading. Parents or eligible students may ask Highland School District to amend a record that they believe is inaccurate or misleading. They should write the school principal, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading. If the district decides not to amend the record, the district will notify the parent or eligible student of the decision and the right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

The right to consent to disclosures of personally identifiable information in the student’s education records, except to the extent that federal and state law authorize disclosure without consent. The exceptions are stated in 34 CFR 99.31, Family Educational Rights and Privacy Act regulations; Sec. 9528, PL107-110, No Child Left Behind Act of 2001; and section 118.125(2)(a) to (m) and sub. (2m), Wisconsin Statutes. One exception that permits disclosure without consent is disclosures to school officials with legitimate educational interests. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the school board; a person or company with whom the district has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility. Upon request, the district discloses education records without consent to officials of another school district in which a student seeks or intends to enroll. Also the district discloses “directory data” without consent, unless the parent notifies the district that it may not be released without prior parental consent.

The right to file a complaint with the U. S. Department of Education concerning alleged failures by the District to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, S.W., Washington, DC 20202-4605.

Lunch Money And Student Fees

We are very excited to introduce a new feature in our Infinite Campus portal - Campus Online Payments. Online payments is a reliable and secure electronic payment system for both food service and student activity fees. Parents will be able to log into their Infinite Campus portal 24/7 to pay food service and/or student fees online using a bank account, credit card, or debit card. Please watch the school website for notices regarding the opening of this new online payment program.

Parents who prefer to pay by check may still do so by sending payments to:

Highland School District, Attention: Lunch Program, 1030 Cardinal Drive, Highland, WI 53543

If you prefer to pay by check we ask that you please send one check for family lunches and another check for student fees.
