The HBR 2020-2021 Learning Plan creates AM and PM in-person blended learning sessions. This approach restricts the number of students in the building at a given time to create more opportunity for social distancing.

To further reduce the number of students in the building we are offering the opportunity for certain students to arrive late or leave early from their in-person instructional day. This option will apply to students scheduled for a study hall during their first or last class of in-person instruction. For AM students this would apply to 1st or 3rd period study halls. For PM students this would apply to 5th or 7th period study halls.

Students who choose to make use of this option will need to commit to this decision for the full quarter (9 weeks). We may restructure our study halls based on the number of students who make this commitment. Therefore, there may not be a class available for those who have elected to arrive late or leave early.

Students need to arrive 10 minutes before the start of their next class if they choose to arrive late. AM students will need to arrive at 9:15 am. PM students will need to arrive at 1:15 pm.

Students leaving early need to make arrangements for returning home immediately following their last class of the day. For AM students this would be at 10:11 am. For PM students this would be at 2:11 pm.

Please sign and date this form below if you choose to utilize this early dismissal or late arrival option for your child. Please remember that this is a commitment for the full quarter. Your child will not be able to leave early or arrive late based on a day to day decision.

Thank you and please contact Mr. Kriesch (bkriesch@hbr429.org) or the high school office with any questions.

---------------------------------------------------------------------------------------------------------------------

My child, __________________________ (Student name), will utilize the early dismissal or late arrival option for the first quarter of the 2020-2021 school year. I have read and understand the expectations regarding this option.
