

SCHOOL ATTENDANCE AREAS

School attendance areas for each school are established by the School Board. Students attend the school in the attendance area in which they reside and to which they are assigned, unless special permission is granted by the School Board.

Changes in attendance areas are determined by the School Board, upon recommendation of the superintendent based on the need to provide for the orderly administration of the schools, the competent instruction of the students and the health, safety, best interests and general welfare of all students.

As used in this policy, "military installation" means a base, camp, post, station, yard, center, homeport facility for any ship, fort, or other activity under the jurisdiction of the Department of Defense, including any leased facility, that is located in whole or in part within the Commonwealth. "Military installation" does not include any facility used primarily for civil works, rivers and harbors projects, or flood control projects.
