

# AFTER-SCHOOL PROGRAM

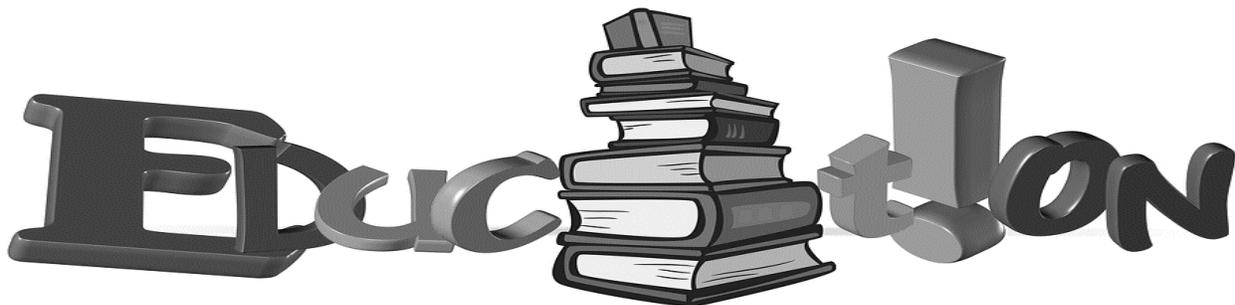

We will be holding our After-School Program again this year for grades K-8. We are super excited to see the kids again in our halls and would love for them to join us in this program. We have made a few changes to the setup in order maintain social distancing for our students. The program itself is also taking on a new look but will maintain the highest quality of instruction and interventions. We will be adding a "Brain Gym" to get the students moving as well as Learning Centers for hands-on activities to enhance what they are learning in their individual classrooms. We will work hand-in-hand with the classroom teachers to make sure your child's areas of encouragement are met with individualized plans.

We are hoping your child is able to join us for another great year in our After-School Program. The tentative start date is Tuesday, September 8<sup>th</sup> from 3:30-4:30. It will run Mondays-Thursdays. Any changes to the calendar will be sent home at the beginning of each month.

Please fill out the back of this form and return to the classroom teacher by August 28<sup>th</sup>. If you have any questions, please feel free to call me at the school.

Thank you!
