

Macon County Schools  
Decision Making Protocol for  
Responses to COVID-19

- Parents are encouraged to take their child's temperature each morning and do not send the child to school if temperature is 100.4° F or greater.
- Child should not be given fever reducing medication and sent to school if fever is 100.4° F or greater.
- School nurse will make the determination if student or employee is exhibiting COVID-19 Symptoms
- Symptomatic individual will be isolated immediately and placed in a mask. Emergency contact will be notified if individual is a student and a student is required to leave school. If an individual is an employee, they will leave school immediately.
- Close contact (defined as within 6ft. for 10 minutes or longer) tracing will be implemented and parents/guardians of affected individuals will be notified of isolation or quarantine protocol as listed below
- Parents/guardians of students in same area but not in close contact will be notified and asked to watch students for symptoms
- Anyone that has been within 6 feet, for 10 minutes or longer, of the symptomatic individual or COVID positive individual, within 48 hours before the onset of individual's symptoms, will follow protocol #3 as listed below
- Areas where symptomatic individual was present for 10 minutes or longer, will be closed immediately for deep cleaning and disinfecting
- Students residing in the same household with a suspected or confirmed positive COVID-19 individual shall follow protocol #3.
- Students and faculty/staff must remain at home while awaiting COVID-19 test results.
- Individuals may return to school after following the protocol listed in table below
- Masks are mandatory for students riding Macon County School Buses
- The daily wearing of masks in school buildings is encouraged but remains optional for students and employees
- All COVID-19 related absences for students will be excused with a parent or doctors note
- Employees will follow MCBOE Policy 5.3052 FFCRA Leave

*This plan may be altered based on federal, state or local guidance.*

SITUATION	RESPONSIBILITIES	RETURN TO SCHOOL	DOCUMENTATION REQUIRED	OTHER
1)  POSITIVE COVID-19 TEST	<b>Staff-</b> Must notify principal/supervisor Immediately of Positive COVID test <b>Students-</b> Parent/guardian will notify principal of positive COVID test	After 10-day Isolation plus 24 hours without fever and improvement in symptoms	None	
2)  PRESENTS WITH COVID-19 SYMPTOMS AT SCHOOL OR OUTSIDE OF SCHOOL	<b>Faculty/Staff and Students-</b> Notify principal/supervisor, teacher or school nurse immediately if symptomatic and put on a mask if at school.
