

OMS Car Rider Drop Off Procedure

Enter the OMS parking lot and drive past the main entrance, continuing around the circle to the door marked, "Enrollment Center". On the first day of school, we will have staff outside directing traffic.

You may drop your child off beginning at 7:30am. Students will go through the enrollment center doors to the outside courtyard area to visit and wait for the 7:50am whistle to sound.

6th Grade Students

Welcome to OMS! We know that our incoming 6th grade students can be a little anxious about finding their classes on the first day. The hallways in the middle school will be bustling with 7th and 8th graders who know their way around. This can be a little overwhelming so we created a different first day plan just for them!

6th graders will be greeted by staff upon entering the building and directed to the middle school gym in the Upper Elementary building. All of our 6th grade 1st hour teachers will be waiting to meet their new students to walk them to their 1st hour. We find the gym provides a comfortable place where only 6th graders will be and it creates a better first day for everyone!

Sincerely,

Kelli Dixon
OMS Principal
