POLICY NAME: FOOD SERVICES MANAGEMENT

- I. The administration of the cafeterias and lunchroom personnel shall be performed by the School Lunch Supervisor with the approval of the office of the Superintendent.
- II. A lunch program is maintained on a non-profit basis in the Springdale Public Schools as a service to those pupils who desire to take advantage of it. The basic principles under which this program is operated are:
 - A. The school district shall provide space, stationary equipment, and utilities. All cost of operation, including additional equipment, must be borne by the receipts from the lunches. In other words it must be self-sustaining.
 - B. All purchases and all funds shall be under control of the business office.
 - C. The management of pupils and of the lunchrooms during meal time shall be under control of the principal of the school.
 - D. Any surplus funds in the lunch program shall be put back into the program through less cost to the pupils, more food, better equipment, or through meals to needy pupils.
- III. All subsidies from the government or from other sources, such as allowances for meals served, free commodities, etc., shall go into the lunch program by providing:
 - A. Meals at less cost
 - B. Better food
 - C. Better service
 - D. Free meals to pupils
- IV. All meals shall meet state and federal meal pattern requirements.
