

We are very excited to announce that the Valley Local School District has partnered with FinalForms, an online forms and data management service that will be replacing paper forms. FinalForms allows you to complete and sign back-to-school forms for your students. The most exciting news is that FinalForms saves data from year-to-year, meaning that you will never need to enter the same information twice! FinalForms also pre-populates information wherever possible, for each of your students, saving you time. You may review your data at any time to verify it is current. You will be required to sign your forms once per year and after any updates.

We are asking that all parents of students use FinalForms and you must have an email address to do so. If you have not shared your current email address with the district please send your address along with your students name to gail.rowe@valleyls.org.

Soon you will receive an account confirmation email from FinalForms. Please click the link and follow the steps to login and access your student.

Thank you for your assistance in streamlining our paperwork processes at Valley Local Schools!
