2020-21

Click on the link below to see bus routes for 2020-21. Bus routes will continue to be edited as new students register and modifications need to be made. Please be sure to continue to check this document up until the day school starts.

Remember that times will vary for the first week or two until the driver and students get used to the routine. We ask that students be at the bus stop approximately 10 minutes prior to the stop time until times become consistent.

- 1. Face masks are required before boarding the bus and must be worn while on the bus.**
- 2. Students should hand the self-certification form to the driver or monitor upon boarding.**
