

2020-2021 Return to School Plan

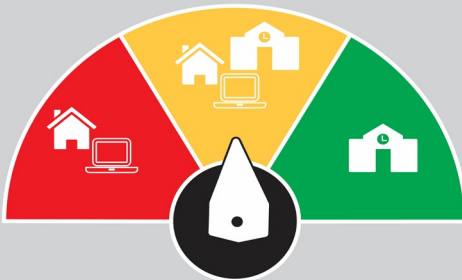

Level of Community Spread: **LOW**

- Fewer than 15 new cases of COVID-19 (25/100,000) in [Walla Walla County](#) in current 14 day window (Monday-Sunday)
- Possible herd immunity threshold met or implementation of vaccine
- Removal of social distance requirements in schools
- Other factors in consultation with Walla Walla County Health officials

College Place Public Schools Learning Model: Full Return to School Model

- All students at all grade levels onsite full time support) served full day on-site
- Health screenings, handwashing protocols, and other state safety requirements in place
- Continuation of CPPS Full Remote "At-Home Learning" Model for students choosing those services ongoing
- Comprehensive cleaning, screening and safety measures

Level of Community Spread: **MODERATE**

- Fewer than 45 new cases of COVID-19 (75/100,000) in [Walla Walla County](#) in current 14 day window (Monday-Sunday)
- Improving trends in community transmission rate and containment
- Decrease in test positivity rate
- Other factors in consultation with Walla Walla County Health officials

College Place Public Schools Learning Model: Hybrid AM/PM Model

- AM/PM Hybrid Model--All grade levels*
 - Students in special programs and requiring additional support (e.g. Life Skills, EL, Developmental Preschool, credit recovery, academic & SEL support) may receive full day on-site support
- Health screenings, handwashing protocols, social distancing and mask requirements in place
- Continuation of CPPS Full Remote "At-Home Learning" Model for students choosing those services ongoing
- Comprehensive cleaning, screening and safety measures between AM/PM shifts and nightly cleaning

**Depending on number of cases (16-45), an adjusted Hybrid with some grades remaining in Full Remote "At-Home Learning" and others returning onsite is possible.*

Level of Community Spread: **HIGH**

- Greater than 45 new cases of COVID-19 (75/100,000) in [Walla Walla County](#) in current 14 day window (Monday-Sunday)
- Other factors in consultation with Walla Walla County Health officials

College Place Public Schools Learning Model: Full Remote "At-Home Learning" Model

- Full Remote "At-Home Learning" for all students
 - Students and programs requiring additional support (e.g. Life Skills, EL, Developmental Preschool, K-2, CTE, SEL) may receive full day or part day on-site support in small cohorts (5 students or fewer)
- Teachers/staff in building to deliver CPPS Full Remote "At-Home Learning" Model
- Comprehensive cleaning, screening and safety measures
- "Grab and Go" Breakfast and Lunch provided at both sites

College Place Public Schools will monitor county conditions weekly in partnership with WW County Health. CPPS will make formal decisions about shifting from initial **HIGH phase to **MODERATE** or **LOW** in advance of expected October 19, 2020 transition date.*
