BUS ROUTE #5 INFORMATION (Driver – Anthony Byrd)

- Routes and times listed are approximate and subject to vary or change over the next few days as we start the school year. All route stops and times are subject to change.
Please have bus riders at designated stop 5 - 10 minutes prior to pick up time. All stop times are approximate.
We ask parents to be patient as many times unexpected traffic, road construction, or road conditions could cause busses to be delayed.
As a matter of USD 114 COVID-19 safety protocols, Student temperatures will be checked and masks will be strongly recommended and possibly mandated to keep our routes rolling along. We will provide masks for our riders who need one.
Student safety is our number one concern at all times.
